## PRESIDENT'S COLUMN

After spending an evening with family and loved ones on Christmas Eve, I am reflecting upon a year of mixed emotions and thoughts. There were some times that were not much fun and others that were more fun than I deserve. It was like a roller coaster at times.

Well, it's time to pull this train into the station and stabilize the equilibrium. It's time to bring the fun back into the club. I hope to do that by making several changes:

- Adding some new and interesting paths of support
- Enjoying some family and Ham radio operating events not centered around public service but focused on getting to know the fellow Hams in our club
- Utilizing the resources we have in our membership
- Giving those heading up a committee the ball and letting them run with it, without hindrance from the Board.

We will start the process by taking the "my" out of patterns of thought and replacing it with "our" when it comes to our club! Think "Recovery 2017"!

On behalf of the club, thank you to retiring Board members John Mardock, KRØP; Connie Zehr, NØGMA; and Aaron Rogge, NØADR, for your service. It was a pleasure to serve with you, and I hope you will each continue to serve the club as a member and join in the many fun upcoming events. Please join me in welcoming to the Board Dale Douglas, KDØWVD, and Mike Arter, NØTTE, as first-timers and welcoming back to the Board Mike Long, KØSHC, and Bryan Leavitt, WØBCL. I look forward to working with each of you and the returning Board members in 2017.

I also look forward to many great presentations at club meetings in 2017. Starting it all off with the first change in order, meeting at LI-COR once again, we have Mark Caniglia and Nick Colton of ALLO Communications. They'll show us what we need to know about the newest broadband video, audio, internet, and telephone service currently installing fiber to homes in Lincoln. **Mark your calendars and join us at LI-COR on January 11.**

## SILENT KEYS

### NEIL ZANK, NØSFC/SK

Neil Zank, NØSFC, passed away suddenly on November 4, 2016. A memorial service was held on November 18.

Neil had been licensed since 1992 and was a Technician class operator. He had been a member of LARC and ARRL since that time. He participated in public service and lunch net activities. He was interested in DXing on BCB (AM, FM, SW), model railroads, and owned Stock racing (Modified) cars. He was an avid collector of many things (toy trucks, trains, radios, firearms, etc.). He spent most of his career in property management and investments. He had been an E6 in the Nebraska National Guard. He is survived by a sister, brother-in-law, and three nephews. Neil will be missed by those who knew him.

—Bob McCoy, NØSCE

### DICK BRANDFAS, NØAD/SK

Richard "Dick" W. Brandfas, NØAD, passed away peacefully at home on Sunday, December 4, 2016.

Richard was a Navy veteran, serving as a radioman during the Korean War. He worked

as a dispatcher for the Nebraska State Patrol and retired from Burlington Northern Railroad as a communications installer and as a radio operator in the Merchant Marines.

His hobbies included Lincoln Amateur Radio Club and the American Radio Association. He loved reading, good conversation, and

playing his guitars. A memorial service was held on Wednesday, December 7.

### GENE COTTER, KAØQEP/SK

Eugene FJ Cotter, "Slip," "Coach," KAØQEP, died Wednesday, December 7, 2016.

Gene graduated from Lincoln High School, attended University of Nebraska in Lincoln, lettered all four years as a diver and was Big 7 Champion at UNL, and also U.S. Army Championship Diver. He taught physical education, driver's education and later was a guidance counselor. He coached swimming and diving at Lincoln High School from 1961 until his retirement in 1992. Eugene was inducted into both Lincoln High School and Nebraska State High School Hall of Fame.

For over forty years, Gene was a spotter for UNL football, an avid golfer, Amateur Radio operator, and big red Husker fan. Gene's memorial service was Friday, December 16.

## NEBRASKA SESQUICENTENNIAL CELEBRATION

### NEBRASKA STATEHOOD 150

WØN is underway!

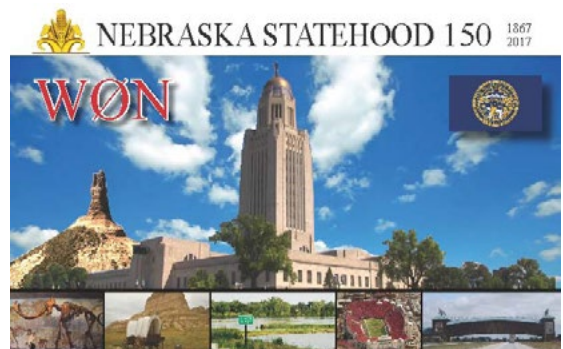

The club has special use of WØN until  
January 15 to kick off and celebrate  
Nebraska's Sesquicentennial.

Statewide Hams have their own Facebook  
page "Nebraska 150th Celebration" to  
post current events, happenings, and  
announcements.

Statewide there is also a website,  
[NE150hams.org](http://NE150hams.org), with additional  
information. Here is a chance for you to get  
on the air and celebrate Nebraska!

Operate from your QTH, mobile, or  
portable, perhaps from your favorite  
historical location. QSL cards will be  
provided. Call or email KRØP, pick a time and  
band you want to operate, and GO. More  
operation dates will be available throughout  
the year. Contact John, KRØP, at 402-525-  
6111 or [j@kr0p.us](mailto:j@kr0p.us).

## LINCOLN REPEATER CLUB

### 146.850 — KØLNE/R

Happy New Year! The Lincoln Repeater Club is thankful for all of you who supported the club and were members. We had a very good year and made lots of new friends.

It is that time of the year again when we need to ask you to renew your memberships or become an .85 member for 2017. Membership dollars are used to support our repeaters around the community. We allocate and spend the monies to support the maintenance and expense of the repeaters and their associated pieces and parts. Dang it, sometimes electronics and electrical things fail and need to be replaced. We are very lucky to have several very knowledgeable members and electronic gurus who are willing to keep the machines up and running. Knowledge of the repeaters, voters, input/output filters, amplifiers, cavities, feedlines, connections, RF interference, antennas, and a host of other things are all part of our club members' resumes. We are very proud to have Ham Radio members that are willing to take care of these things.

Please consider becoming a member of The Lincoln Repeater Club, if you are not currently a member, and being a part of the 146.850mhz(-) community repeater operations in the area. We welcome your support.

If you are a current member, please take the time to renew your membership. Membership cost is only \$10.00/year. Our repeater has a phone patch that is open to all users. We provide an EchoLink repeater function that allows you to talk all over the world on a VHF handheld, mobile, or base unit. There is even a cell phone application that allows you to use the EchoLink function with your smart phone. Just go to the app store on your phone and look for "EchoLink by Synergenics, LLC." Download the FREE application and then sign up with your callsign.

We encourage you to use our repeater as much as you like, and as always it is an OPEN repeater. If your part of the hobby would like to hold nets on the repeater, please contact Lonnie, WDØAOP, at [wd0aop@arrl.net](mailto:wd0aop@arrl.net), and we will get your net reserved, advertised, and "on the air."

**Lincoln Repeater Club**

## "JANUARY" CONTINUED FROM PAGE 1

Mark will provide the marketing details of ALLO and how you can benefit from being a subscriber of ALLO while Nick will enlighten the crowd with all the technology facts that you will not want to miss.

From the wireless set top converters for video, telephone, and internet to the network infrastructure synchronously connecting you to the world, the system is designed for speed, quality of audio and video and streaming, all while having several redundant systems in place. These work to keep you online, watching your favorite program, and talking on the phone.

ALLO is currently being installed in many areas of Lincoln. Mark will fill us in on the construction timeline and when the company may be in your area. Mark will also differentiate ALLO from other service providers in the area. He'll have all the cost data for a residential installation and I bet we could get some small home-based business data. Both Mark and Nick will be ready to answer any questions not answered in their presentation.

Join us for the Lincoln Amateur Radio Club's January 2017 club meeting and get "in the know" with ALLO!

## VE EXAM SESSIONS—DECEMBER

### ARRL VEC

This month's regular session was at the Northside Café on Thursday, December 1. We had three

candidates, of which two passed for a new or upgraded license.

### TECHNICIAN

- ◆ Thelbert Baumbach, KEØLII, Lincoln

### GENERAL

- ◆ Michael Pinho, KEØKXW, Lincoln

Congratulations, Thelbert and Michael!

Volunteer Examiners (VE's) who participated this month are KØLVR, KCØPJR, KDØRIY, NØJWS, NØLNK, and WØBCL.

Upcoming exams are February 2, March 2, and April 6 at the Northside Café. For testing details, please visit

<http://k0kkv.org>.

—Chris Evens, KCØPJR

## BEST CHOICE UPC LABELS

Please bring UPC labels from Best Choice products purchased at Russ's or Super Saver to club meetings.

## DECEMBER LOG ASSEMBLY CREW

Each month a great crew prepares the LOG for mailing to approximately 800 addresses. Thank you to NØADR, NØJLR, NØDGR, KØLVR, KDØRTK, KBØQH, NØVMT, KDØDIU, KDØPTF, KEØEQY, KCØDHM, and KØRPT for your help prepping the December 2016 LOG!

—Aaron Rogge, NØADR

## 2016 LARC AWARD WINNERS

Jerry Kohn, WDØEGK, seldom missed a public service event. He was one of a handful of Hams who had worked with the Cornhusker State Games every year since its inception in 1984. The Jerry Kohn Award was created to recognize outstanding public service by a club member based on club records of public service participation and prize awarded at the holiday party. The 2016 winner was Robert Sindlar, KØKPH.

Robert Fricke, WØPOL, was a consummate builder, producing finished products that could have been mistaken for commercially manufactured equipment. Only current members of the Lincoln Amateur Radio Club are eligible for the award. Persons who wish to enter must arrange to show their project at the November club meeting for the evaluation. The project will be judged by a panel of three and a \$100 cash prize award will be given. The 2016 winner was John Mardock, KRØP.

The Ed Woerner, WAØQJK, Award is presented to a member who has acted as a mentor, helped other Ham operators to advance in the hobby, and has gone above and beyond what would have been expected. The 2016 winner was Joe Eisenberg, KØNEB.

The Jerry Cox, WØMAO, Award recognizes excellence in all areas of Amateur Radio, including operating techniques, public service, experimenting, technical achievement, and helping others. This award will be presented at the January 2017 club meeting.

Steve May, WAØASM, loved a challenge and always worked to fix his own radios as well as those of others. He was a man who never needed recognition but was always there to help. The award, given annually in his name, recognized a club member who sees a need and steps forward to take it on without expecting recognition. The 2016 Board selected Marlene McLaughlin, KDØHYM.

## ABOUT THE LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc., (LARC) is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, as well as furthering the experience of those already licensed, and to create international good will.

The *Lincoln LOG* is mailed monthly to all paid members of LARC and to all Lancaster County, Nebraska, Hams.

If your label says, "COMPLIMENTARY," please consider joining the club and supporting its activities. Even if you are not currently active, your contribution will help to ensure the future of Amateur Radio. Annual dues are only \$20. For your convenience, please join by completing and mailing in the form below or visit <http://k0kkv.org> and use PayPal.

The *LOG* solicits your input. If you have an idea for an article, wish to contribute an article or photo, or want to place an ad in the *LOG*, contact the editors at [log@k0kkv.org](mailto:log@k0kkv.org). The deadline for each issue is generally the last Tuesday of the previous month.

The *LOG* and other Lincoln Amateur Radio Club information are available at <http://k0kkv.org> and at [facebook.com/LARClincoln](https://www.facebook.com/LARClincoln) and may be used freely.
