

## NOVEMBER MEETING

7:30 PM, WEDNESDAY, NOVEMBER 14  
LI-COR, LINCOLN, NEBRASKA

### NOVEMBER CLUB MEETING

The November meeting will feature Brittni Clark, BSN, RN, presenting "Stop the Bleed." Brittni will show how to apply a tourniquet that is used by the US Army. She will also show other ways to control bleeding in emergency situations.

In addition to Brittni's presentation, Dale Johnson and Bob White will share how their lives were saved because someone knew how to apply a tourniquet. We will all be certified in bleed control and will receive a free tourniquet upon completion of the class.

— John Huseman, WDØEZI

## PRESIDENT'S COLUMN

We are working toward the end of the year, and you all know what that means: time for fun! The LARC Holiday Party is Saturday, December 15, at the Elks Lodge #80. Last year was a fun time with

a great turnout, and we hope you join us again, or for the first time.

Remember, if you are a member in 2018, your meal is on the club. That also goes for Associate Members. The same membership rules apply again this year. If you haven't yet paid for your membership, you can do so at the door! I hope to see many of you at the party, where we'll have good food, good fellowship, and the awards presentation.

Please keep an eye out for the upcoming election of the Board of Directors. We can't wait to see and hear all about them through their bios in the December LOG. We've had a great team of folks helping to lead our club into the future, and I genuinely believe we are doing just that. These folks are great, and I'm proud to be a part of them.

I stopped in at Hobby Town at 70<sup>th</sup> and Pioneers last weekend and looked through all the Radio Shack inventory. I'm impressed!

You can even make an order right there. Stop by and check it out. They are a great bunch of folks, who also mentioned that Josh (at the north store) is a Ham.

See you all at the club meeting!

— 73 de Ed Holloway, KØRPT

## CLUB MEETING LOCATION

### MEETING LOCATION THROUGH DECEMBER

LI-COR Biosciences  
4647 Superior St  
Lincoln, NE 68504

### GOOGLE MAPS

— Ed Holloway, KØRPT

## OCTOBER VE EXAM

**ARRL  
VEC**

We held our regular session at the Red Cross building on October 4. We had four participants this

month, of which two passed for license upgrades to the General class. The results are as follows:

### GENERAL

- ◆ KEØJNF, Shaun Erickson, Lincoln, NE
- ◆ KDØUIQ, Wayne Nestor, Stromsburg, NE

Congratulations to our upgraded licensees!

Volunteer Examiners (VEs) who participated this month were WØBCL, WØBMB, KCØDHM, NØJWS, KCØPJR, AEØRP, NØSCE, and KØSIL.

We will continue to meet at the Red Cross, 220 Oakcreek Drive.

Upcoming exam dates are November 1, December 6, and January 3.

— Chris Evens, KCØPJR

### USED EYEGASSES NEEDED

The Lions Clubs International of Lincoln will have a used glasses collection box at our November club meeting.

Please bring any broken or used glasses to the next meeting.

— Dale & Kay Softley, KDØPTE / KDØTPP

## DECEMBER CLUB MEETING

For the December 12 meeting, please bring an item for the snack table to enjoy during the Board election ballot-count break time. Drinks and a sheet cake will be provided by the Snack Shack.

As in years past, we will be collecting canned food items for the Salvation Army Kitchen. Please bring your donation to the meeting.

— Bev Bennett, KDØPTR, and Chuck Bennett, KDØPTK, "LARC Snack Shack"

## BEST CHOICE UPC LABELS

Please bring UPC labels from Best Choice products purchased at Russ's or Super Saver to club meetings.

## SOCIAL MEDIA

The LARC is on Facebook and Twitter! Keep up with events, weather updates, and other topics of interest to the Ham community by liking our Facebook page and following our Twitter feed.

Search for "Lincoln Amateur Radio Club" on either network, or navigate to [fb.me/LARCLincoln](http://fb.me/LARCLincoln) and [twitter.com/K0KKV](https://twitter.com/K0KKV). You can also receive LARC Twitter updates by text message — without a Twitter account! Text "FOLLOW K0KKV" to 40404.

If you have questions or content to submit for distribution, please email me at [W5NEB@arrl.net](mailto:W5NEB@arrl.net). Get social with us!

— Justin Williamson, W5NEB

## LARC HOLIDAY PARTY: SATURDAY, DECEMBER 15

The theme for this year's Holiday Party will be exactly like last year: Family! The cost can't be beat! We will get to that in a moment. First, a big thank you to Randy King, KØNC, and Maureen Sadler, KDØONM. LARC has been provided access to the Elks Lodge #80 for the holiday party. It is a very nice facility with all the amenities. It even has a lounge available to obtain libations.

Here are the details: LARC will provide turkey, ham, and stuffing from Hy-Vee. We will serve these items on the line using the warmers and kitchen utensils provided by the Elks Lodge. Please bring a side dish to share! Iced tea, lemonade, and punch would also be great. The date is Saturday, December 15, 2018. The doors will open at 5:00 pm, and we will start serving dinner at 6:00. The annual awards ceremony will happen after the meal is served.

The holiday party is a benefit to 2018 LARC club members and those who have paid their 2019 dues. So, if you are paid up, plate up!

If you are not a member yet and would like to join in the fun, Greg Brown, KTØK, and Heather Chesnut, KDØBXA, will be at the door to accept your dues for 2019. All "dues rules" about Full Membership and Associate Membership, governed by our LARC bylaws, apply.

If you are still a holdout and don't want to be a member of the club but want to join in the fun, we'll accept \$20.00 at the door for your meal and give you a 2019 membership with our thanks! Call it a holiday party cover charge with yearlong LARC perks.

Entertainment for the evening will be the company of fellow Hams and their families. We will also enjoy soft holiday music.

We look forward to seeing everyone there. Please email Heather, [kd0bxa@gmail.com](mailto:kd0bxa@gmail.com), and let her know you will be attending (and how many are coming with you) so we can order the right amount of food.

— Heather Chesnut, KDØBXA, &  
Maureen Sadler, KDØONM

## LARC AWARDS

The award season is upon us. Let's take a look at the background and rules of each of the awards offered annually by the Lincoln Amateur Radio Club.

### **ROBERT FRICKE HOMEBREW AWARD**

Funded by a generous contribution to the Lincoln Amateur Radio Club, this annual award will include a certificate and \$100 cash. At the November meeting, a panel of judges will evaluate entries, and apply a consistent scoring system. The awards committee will announce the winner at the club's annual holiday party.

Bob Fricke, WØPOL, was a consummate builder, producing finished products that could have been mistaken for commercially manufactured equipment. After he died in 2004, many of his kits were sold at auction. Bob's wife, Martha, established the award in 2005.

For each entry, each judge will score the entry and then turn in the signed sheets to the awards committee. Only current members of the Lincoln Amateur Radio Club will be eligible for the award. The judging criteria is as follows. Bring your homemade item to the November meeting for judging.

Each judge will award up to 10 points for each of the following criteria:

- ◆ Overall appearance (to a layman)
- ◆ Circuit appearance (soldering, etc.)
- ◆ Overall design/layout
- ◆ Custom design (five automatic points if the circuit was developed by the entrant)
- ◆ Operation
- ◆ Achievement of objective (Does it do what was intended?)

### **JERRY COX AWARD**

In the early 1950s, Jerry Cox, WØMAO, was without a doubt the most active Ham in the Lincoln area. Though disabled and in a wheelchair, he was on the air constantly, monitoring several frequencies and providing assistance where needed. Jerry became a silent key about 1960, and his mother thought it seemed fitting to recognize Amateur Radio operators who carried on his dedicated interest in ham radio. At that time the Jerry Cox Award came into being, sponsored by the Lincoln MARS Club [used at NEMA EOC].

The award was to be presented annually to the Ham whose interests closely followed the interests of Jerry — excellent operating techniques, active in public service, and an interest in experimenting and exploring things of a technical nature. In addition, the Ham should be friendly to all and eager to help new Hams. It is not designed to be a popularity contest. Nominees are to be made by fellow Hams and the recipient selected from those nominated.

All nominations are to be in writing and submitted to the selection committee no later than November 15. The recipient has his or her name and call affixed to the award plaque, recognizing excellence in the Amateur Radio community.

### **ED WOERNER MENTORING AWARD**

This award is presented to an individual who has acted as a mentor (or "Elmer") and helped other Ham operators to advance in the hobby. By definition, a mentor is a wise and trusted counselor or teacher. Ham operators have a tradition of helping one another, and the Ed Woerner Award is given to one whose assistance has gone above and beyond what would have been expected. Nominations for this award are sought from Amateur Radio operators in the area; club membership is not necessary.

### **JERRY KOHN PUBLIC SERVICE AWARD**

Jerry Kohn, WDØEGK, died of a stroke on November 2, 2008. Dr. Kohn was a family dentist to some club members, but to many more of us he was the spark plug for numerous public service events. He was one of a handful of Hams who had worked with the Cornhusker State Games every year since its inception in 1984.

There was seldom a public service event that Jerry missed. His volunteer hours total was either at the top or near the top of the list year after year. Jerry served on the LARC Board a total of 14 years, beginning in 1980. The Jerry Kohn Award was created in 2008 to recognize outstanding public service by a club member based on statistics showing total participation and factors such as total hours or bike miles.

### **STEVE MAY AWARD**

Steve May, WAØASM, loved a challenge and always worked to fix his own radios as well as those of others. He was a man who never needed recognition but was always there to help. This award recognizes a club member who sees a need and steps forward to take it on without expecting recognition, and always with a smile. The current Board will select the recipient and present it at the club holiday party.

### **2018 LARC AWARDS**

All requests and nominations for the Jerry Cox, WØMAO, and Robert Fricke, WØPOL, Awards can be submitted online at [neares.net/larc-awards](http://neares.net/larc-awards) no later than November 14 to allow time for judging and plaques to be printed.

Awards Chair

## ACHIEVING A "CLEAN SWEEP" IS THE BRASS RING OF ARRL NOVEMBER SWEEPSTAKES

The [ARRL November Sweepstakes](#) (SS) weekends are nearly upon us. The popular operating events — one for CW and the other for phone — typically attract approximately 3,000 logs combined. For this 77<sup>th</sup>-running ARRL November Sweepstakes, the CW event is November 3 – 5 (UTC), and the phone event is November 17 – 19 (UTC). Each starts at 2100 UTC on that Saturday and runs through 0259 UTC on that Monday. Stations may operate 24 of the available 30 hours. **Logs are due within seven days after the event is over.** Last year saw 1,275 entries for the CW weekend, while the phone weekend attracted 1,674 logs.

The challenge of SS — or "Sweeps" — is to work as many stations in as many of the 83 [ARRL and Radio Amateurs of Canada \(RAC\)](#) sections as possible within the 24 available hours. The number of sections worked is a score multiplier. Making a "clean sweep" is the goal of many SS aficionados — working all 83 of the available US and Canadian multipliers, and qualifying for a clean sweep coffee mug. In the 2017 CW event, only 10 operators managed to "work them all." SSB participants had better luck with 78 clean sweeps. Last year, Puerto Rico (PR) and the US Virgin Islands (VI) were still reeling from devastating hurricanes.

At one time, the most difficult SS multiplier was Northern Territories (NT) in Canada, where J. Allen, VY1JA, in Yukon Territory, often was the only station available. That's changed, now that the VY1JA station not only has been thoroughly upgraded but is able to be remotely operated (as VY1AAA), although by a Canadian operator, thanks to Gerry Hull, W1VE/VE1RM, who plans to be at the helm of VY1AAA again this year for both the CW and phone weekends, operating SOHP.

The antenna complement in Yukon Territory is a 4-element quad at 45 feet for 20 – 10, a 2-element phased ground plane array on 40, and a single element ground plane on 80. "J has constantly been working on antennas as time and weather permits, and we should have some more antennas ready for 160 and later contest events," he told ARRL.

Hull said he prefers to operate CW at or above 32 WPM but will honor any request for him to QRS. He expects to hang out in the bottom 5 kHz of the band or above 40 kHz from the bottom.

"Take a moment to send thanks to J, VY1JA, for the tremendous work he has done to keep it all running," he urged.

Other hard ones in 2017 appear to have been Alberta (AB), Northern New York (NNY), US Virgin Islands (VI), and Wyoming (WY).

SS is a "domestic" contest with broad appeal, and even stations with modest equipment and antennas can enjoy success. Many stations like to operate in the QRP category (output of five W or less), although that challenge is more daunting in this stage of the solar cycle.

[ARRL November Sweepstakes](#) is the oldest domestic radiosport event (the first was in 1930). The SS contest exchange has deep roots in message-handling protocol and replicates a radiogram preamble. In SS, stations exchange:

- ◆ A **consecutive serial number** (NR). Operators do not have to add leading zeros on serial numbers below 100.
- ◆ **Operating category** — **Q** for Single Op QRP; **A** for Single Op, Low Power (up to 150 W output); **B** for Single Op, High Power (greater than 150 W output); **U** for Single Op, Unlimited, regardless of power; **M** for Multioperator, regardless of power, and **S** for School Club.
- ◆ **Your call sign.**
- ◆ **Check** (CK) — the last two digits of the year of first license for either operator or station.
- ◆ **Section** — [ARRL/RAC Section](#).

"Casual operators are very important to SS, so I would advise that if you come across [operators] who just want to help you out with a QSO, take the time to walk them through the proper exchange sequence and encourage them to work other stations and to submit a log," said now-retired SS Manager Larry Hammel, K5OT. "Your patience might be rewarded with a motivated op next year!"

The SS Operating Guide package, available for [download](#), explains how to participate in the Sweepstakes, including all rules and examples of log formatting. Clubs or public service teams thinking about entering this year will find the guide a useful source for information.

The deadline to submit CW entries is November 12. The deadline to submit phone entries is November 26.

### Club Eligibility Lists

A system is in place to submit [club eligibility](#) lists, either by [uploading](#) a file of eligible members or by copying and pasting from a list, right up until the time of the contest — November 3 at 2100 UTC in the case of SS CW, and November 17 at 2100 UTC in the case of SS phone.

[Direct](#) questions to ARRL Contest Branch Manager Bart Jahnke, W9JJ.

Article link: <http://www.arrl.org/news/achieving-a-clean-sweep-is-the-brass-ring-of-arrl-november-sweepstakes>

— Thanks to Gerry Hull, W1VE, Larry Hammel, K5OT, and Bart Jahnke, W9JJ

## PUBLIC SERVICE: SUMMER EVENT MILES & HOURS

Thank you to all the volunteers who have helped out. The cumulative listing for all events will be run in the January edition of the LOG. Stats are given as call sign, hours, and miles driven.

## DIGITAL LOG?

Did you know that you could receive the LOG in digital form via email? What's the big deal about receiving the digital LOG?

- ◆ Saves your club money on printing costs.
- ◆ Color photos!
- ◆ One less thing to toss, recycle, or use to line the bird cage.
- ◆ The LOG prep team says, "Thank you!"
- ◆ Get the first look at news, estate sales, and event updates when your digital LOG arrives days before the print edition!

Sign up for the digital LOG at [k0kkv.org/lincoln-log](http://k0kkv.org/lincoln-log).

—Jeri Lyn Rogge, NØJLR

## OCTOBER LOG ASSEMBLY CREW

Thank you to NØADR, WØBCL, KCØDHM, KDØDIU, WDØEZI, NØJLR, KBØKA, KRØKAT, KBØNYH, W5NEB, KDØPTF, WØZWV, and Becky Pugsley for helping to prepare the October 2018 LOG for mailing.

Plan now to join us for the next folding session on December 3! When we have at least 15 people prepping the LOG, the job is easy and fun for everyone.

— Jeri Lyn Rogge, NØJLR

### ABOUT

Supporting Business Members help offset the cost of producing this LOG and maintaining the LARC website, [KØKKV.org](http://KØKKV.org). Check them out and let them know you appreciate their support.

To learn more about becoming a supporting business member, contact Ed Holloway, KØRPT, at 402/326-1139 or [k0rpt@arrl.net](mailto:k0rpt@arrl.net).

## ABOUT THE LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, as well as furthering the experience of those already licensed, and to create international good will.

The *Lincoln LOG* is mailed monthly to all paid members of LARC and to all Lancaster County, Nebraska, Hams.

If your label says, "COMPLIMENTARY," please consider joining the club and supporting its activities. Even if you are not currently active, your contribution will help to ensure the future of Amateur Radio. Annual dues are only \$20. For your convenience, please join by completing and mailing in the form below or visit [k0kkv.org](http://k0kkv.org) and use PayPal.

The *LOG* solicits your input. If you have an idea for an article, wish to contribute an article or photo, or want to place an ad in the *LOG*, contact the editors at [log@k0kkv.org](mailto:log@k0kkv.org). The deadline for each issue is generally the last Tuesday of the previous month.

The *LOG* and other Lincoln Amateur Radio Club information are available at [k0kkv.org](http://k0kkv.org) and at [facebook.com/LARClincoln](https://facebook.com/LARClincoln) and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.
