PRESIDENT'S COLUMN

Thanks to all who came out to the January club meeting. We had some fun, and I hope you all learned a little something about CATV.

I'm sorry to share about the passing of Byron Ferguson, N7AZN. Byron was attending the December Board meeting when he became ill and was transported to the hospital. Byron passed away during transportation. I have had conversations with the family and passed along our condolences.

The new EOC is operational and by the images in the *Lincoln Journal Star*, it looks pretty nice. Jim Davidsaver, Lincoln-Lancaster County Emergency Management Director, will be our presenter at our February club meeting at LI-COR. Jim will show us some photos and let us know all we need to about the new facility. You won't want to miss this one!

At the January Board meeting, the Board approved a budget for 2019 and appointed an audit committee to review last year's accounts.

It looks like a fun soup supper has been scheduled for Friday, February 22, at the

Elks Lodge. Bring soup and other goodies to share and enjoy some good old-fashioned camaraderie. Look in the *LOG* for times. Also, that night I will be doing karaoke. If you enjoy singing karaoke or enjoy watching others, stay for the fun.

Public service will be gearing up soon, so keep that in mind as the club will need your help. Saturday, April 6, is the Central Plains Severe Weather Symposium, Family Weatherfest, and storm spotter training, so block out that date on the calendar.

Thanks to Lance Ferguson, WUØQ, for answering the call for help with Meals on Wheels. He volunteered an hour and 45 minutes and delivered 10 meals. It's been a few years, but we're still happy to help.

That's all for this month, folks. See you at the club meeting.

— Ed Holloway, KØRPT

LOOKING FOR WRITERS

Have you designed a project that others might be interested in or made a discovery you want to share? If so, drop us a line at log@k0kkv.org.

JANUARY LOG ASSEMBLY CREW

Thank you to the following fabulous individuals who prepared the January 2019 LOG for mailing: NØADR, NØJLR, KRØKAT, KØNC, KDØONM, KDØPTF, WØZWV, and Becky Pugsley.

Plan now to join us for the next folding session on Monday, March 3! When we have a crew of at least 15 people prepping the LOG, the job is easy and fun for everyone.

— Jeri Lyn Rogge, NØJLR

JANUARY VE EXAM

**ARRL
VEC**

This has been a very unusual month. We had five VEs show up for the exam session and no examinees. It might have been due to the session being on the 3rd of January, which was still during Christmas break or vacations for many. We will have to keep that in mind for next year when this date rolls around.

I'm grateful to the five VEs who took time out of their evening to make the session possible: WØBCL, KCØDHM, KØKPH, KCØPJR, and KØSIL.

We will continue to meet at the Red Cross, 220 Oakcreek Drive. Upcoming exam dates are February 7, March 7, and April 4.

— Chris Evens, KCØPJR

SOUP 'N KARAOKE

Friday, February 22, 2019

Set up at 5:30 pm

Eat 6:00-7:00 pm

Karaoke 7:00 pm

Elks Lodge #80, 5910 S 58th St

SOUP IS ON! Load up all the family and invite friends to join us for soup supper and karaoke on Friday, February 22, beginning at 5:30 pm. Bring a crock pot of your favorite chili or soup to share, (Note: canned soup is always an option.) crackers, a plate of cookies, bars, or dessert of your choice, and table service. Drinks will be provided.

Bring a cupcake tray to hold hot cups and you can test the lineup of delicious soups.

A copy of the recipe is always welcome for those who would like to share their prize recipe.

It should be a fun night, and all, young and old, are invited to participate. Come on out and enjoy some good old home cooking and a fun time of karaoke.

— Chuck Bennett, KDØPTK

JOIN LARC TODAY!

LARC membership is yearly, January through December. See the back cover of this LOG for additional details.

SILENT KEYS

The following Hams have passed away over the last few months.

Ed Whalen, NØUYU/SK — October

Byron Ferguson, N7AZN/SK — December

Randy Hansen, NØLKB/SK — December

Our thoughts go out to their families and friends.

NEBRASKA STATE ARRL CONVENTION

Saturday, March 9, is the annual Nebraska State ARRL Convention. I hope many of you will attend. If you have time, we need volunteers on Friday and Saturday.

On Friday, March 8, from noon until 5:00 pm, is setup. We need lots of muscle to help with tables and other things. Some of the vendors and flea market participants come to set up on this day. The more help we have, the better, so please come out.

On Saturday, the day of the convention, we need volunteers to assist vendors and flea market participants to their tables. We need help with ticket sales at two locations and people to sell raffle tickets during the convention. If you can help on Saturday, arrive before 7:00 am.

Anyone who helps will get a free t-shirt for their efforts, while supply lasts. So please, if you can help, come out. With you, we will make this convention a big success!

This year, we are opening the convention to the general public! Here is an opportunity to introduce our hobby to the public and get folks to join our club! We are the best advertisers for our club and hobby, so please, if you know of someone who is interested in what you do as an Amateur Radio operator, bring them. Get the word out to all your friends and family members. Please consider bringing your portable radio. This is a wonderful way for the public to talk on the radio; the frequency we use at the convention is 146.550 simplex.

SATURDAY, MARCH 9

8:00 AM - 3:00 PM

LANCASTER EVENT CENTER

4100 N. 84th Street

For details about the convention, please check out the poster featured on page 8.

I look forward to seeing you at the convention. My team and I have worked many hours preparing for the convention, so thank you to anyone who helps us!

See you at the convention!

MEET YOUR FELLOW HAM: CHUCK BENNETT, KDØPTK

For over 80 years, my dad was an active ham radio operator. Dad was licensed in 1935 when he and mom lived in Auburn. He loved ham radio and wherever he went, he used his ham skills. Although I grew up with ham radio, dad kept the hobby to himself, but included the family in Field Day from the very early years. I knew his call sign like the back of my hand. We spent many Field Days at rural farm locations and my brother and I always had fun playing with the other kids. The HF antenna on the '56 Ford was quite a conversation piece when I was a teenager and was the kid with a car with the long antenna.

In 2005, Dad, WØWKP/SK, became a silent key, our son Jeff was encouraged by John Hauner, KØIH/SK, to attend a Technician Class so he would be able to 'claim' his grandpa's call sign. In 2011, I became interested in ham radio for use in emergency communication and at Jeff's encouragement, I passed the Technician class followed by the General license. Since then, it has become a family affair with my wife Bev, KDØPTR, also getting her General license.

Dad formed the Southeast Nebraska Amateur Radio Club (SENARC) in 1936 for the purpose of emergency communication for a four state area. SENARC is still in existence and celebrated its 80th anniversary in 2016. In 2015, I became president of the club. Dad's ham buddies helped put up our ham tower and dipole antennas used on 160, 80, 40, 20. SENARC member, Dennis Mason, KØBYK, is an example of a good Elmer.

I am also a charter member and 2015, 2016 past president of the Lincoln Salvation Army, SATERN Club. Club members built an emergency communication trailer to help with their mission of serving the people during times of emergency.

I have served several years as LARC Activities Chairman and enjoy finding ways to encourage family participation in ham activities. I am interested in starting antenna classes for new Hams. For six years, since becoming a member of LARC, I have participated in Field Day, Cornhusker State Games, Lincoln Marathon, EYE RUN, Lancaster County Fair, a certified weather spotter, and CERT volunteer. Recently, I jumped into backup ARES Net Control operator.

Bev and I have been married for 57 years and have three children and 12 grandchildren.

Each time I look at these numbers, it always impresses me how many people check in on a given month and how much traffic is handled by this small group of net controllers. Even so — and I'll say it again, it's not the numbers that count, it's the people! So please do check in into your nightly ARES net on .76, and join in on the fun!

Also, if you have ever wondered about being a net controller — and we do need you — please contact me at k0jia@xsmail.com anytime for more info. Catch you all nightly on the .76 net!
