## PRESIDENT'S COLUMN

I apologize for not being able to make last month's meeting. I seem to have taken a wrong turn and found myself in the illness department. Just like everybody else who has fallen victim to what

seems like an annual week-long flu bug, I myself took a hit. Thankfully, I'm feeling much better and looking forward to June's DMR presentation. Much thanks to Jeff Bennett, WØWKP, for taking the conn at the club meeting and then again at the May Board meeting.

There's quite a bit of talk about public service, Field Day, and other events. It's nice to hear it, and I want to thank all the committee chairs and their teams for doing such a great job.

Justin Williamson, WJØTX, and I will be heading out to see other clubs' Field Day sites and may take the mic for a bit to try to contact KØKKV. I'm really looking forward to doing that.

Our club is doing well and we're on our way to meeting our budgetary membership goal. We can't thank you enough for your support. Over the last few years, we have tried to come up with new and exciting

ways for members to get involved, and I feel this is going very well. The activities committee has come up with some great ideas, and Bev and Chuck Bennett, KDØPTR and KDØPTK, have done an amazing job. Thank you!

See you at the club meeting!

— Ed Holloway, KØRPT

## ACTIVITIES: PUTT & DIP RECAP

Ham friends and family met at Adventureland Miniature Golf at 56<sup>th</sup> and Old Cheney on Friday evening, May 17, and putted the ball around the course.

It was a picture-perfect evening. We're not sure who had the lowest score, but everyone had a good time. Because of the large number who turned out to 'putt,' we decided to head over to Culver's for ice cream.

Thank you to everyone who joined us for the evening. Eric Gustafson, one of the new owners of the Adventure Golf Course, was very friendly and helpful.

Putters: Alan Boldt, KDØRIY, and his two children; Kay and Dale Softley, KDØTPP and KDØTPE; Mike Walsh, KBØQH, and his wife; Chuck and Bev Bennett, KDØPTK and KDØPTR; Dave Duncan, KEØUNL, and his wife, son, and friend; Kim Cartwright, KEØTNR; Randy King, KØNC; Chris Brennfoerder, KCØAAO, wife Becky, and daughter Chelsey; Dave Loos, KDØPTF, wife Karen, and daughter Leslie; Mike Terkildsen, KCØDHM; and new friends Kelly, Harrison, and Toby Gubser.

## FIELD DAY: JUNE 22-23

Field Day is fast approaching. Make plans to participate and invite family and friends to Field Day.

For those new to Field Day, every June, Amateur Radio operators throughout North America and Canada set up temporary transmitting stations in public places to demonstrate Amateur Radio's science, skill, and service to our communities and our nation. It combines public service, emergency preparedness, community outreach, technical skills, and contesting, all in a single event.

The Lincoln Amateur Radio Club will operate its official Field Day deployment from 1:00 pm Saturday, June 22,

until 1:00 pm Sunday, June 23, at Mahoney Park in Lincoln, 70<sup>th</sup> and Fremont Streets. Contesting will be conducted on 6, 15, 20, 40, and 80-meter voice, and Morse Code (CW).

The Field Day weekend is also a family time with picnics and watermelon. The LARC picnic will be held at the Mahoney Park north picnic shelter on Saturday at 6:00 pm. In Ham tradition, check-in is at 5:30 pm. The club will provide hamburgers, hot dogs, and drink. Members are asked to bring a salad, vegetable, or dessert to share. At 8:00 pm, enjoy cool slices of watermelon at the shelter.

Following the meal, at approximately 7:00 pm, there are tentative plans for a Morse Code demonstration at the shelter.

On Saturday afternoon, Mike Walsh, KBØQH, will provide instruction on how to set up an HF station, complete with grounding instructions. Please plan to attend as Mike is a seasoned Elmer.

Additionally, there are plans to make satellite contacts throughout the day and night, and 2-meter simplex operations will continue for the entire 24-hour period of Field Day.

The GOTA (Get On The Air) station will also be open and operating for 24 hours. GOTA coaches invite you and your family

to stop by and try your "voice" on high-frequency (HF) bands as well as 2 meters. The GOTA station is an opportunity for non-Hams, new Hams, and inactive Hams to key up, overcome "button fright," and experience the fun of Amateur Radio.

On Friday and Saturday, the 9:00 pm ARES 2-meter net will originate from the GOTA station tent.

On Saturday, there will be a transmitter (fox) hunt following the watermelon feed. This is a fun event for everyone. Prizes will be awarded following the initial hunt for first, second, and third place winners. Sign

**FIELD DAY, CONTINUED ON PG. 9.**

### SKYWARN® NET #1 (5/5/2019)

A very fast-moving system developed and produced a tornado that caused some damage in Southwest Lincoln. After looking at reports of lowering and conversing with Jim Davidsaver, we decided to quickly activate spotters. Fortunately, there were no injuries reported.

There were 38 folks who responded to the call; most took a point, and those who didn't provided information. Those who responded were NØADR, W3ALX, WØBCL, KEØBHQ, KAØBOJ, KCØBXU, KDØDDU, KDØDEU, NØDFI, NØDIZ, W8DM, KEØELM, K9EMR, KEØEVW, KCØGXX, KDØHYU, KEØIBW, KØJIA, NØJLR, KTØK, KEØKAX, K3MED, KØNC, KDØONM, KDØONN, WUØQ, NØQYM, KDØRIY, K3RJR, KØRPT, N7RVN, KBØRZP, KCØSVX, WJØTX, ABØUP, WØWKP, WAØWYI, KDØZNM, and ACØZQ.

Together, these folks drove 510 miles and contributed a combined sum of 46 hours of service.

Thank you all so much for your help!

— Ed Holloway, KØRPT

### HAVE A GREAT IDEA FOR LARC?

Have you brewed up a great idea for education, social outings, fundraisers, club meetings, or more? Email your ideas to [log@k0kkv.org](mailto:log@k0kkv.org).

### STORM NET PROTOCOL

When being called out and accepting a point assignment, please remember the protocol we will be using moving forward.

- ♦ Check in to the net ONLY if you are able to take an assignment
- ♦ Check in with your full call sign only
- ♦ Wait to be acknowledged, and when you receive your assignment, safely move to your point
- ♦ When you arrive at your point, check in with your point number only and wait to be acknowledged
- ♦ Give your report and close that transmission with your call sign and point number.

This will greatly help the folks at the EOC as they are typing your information as you speak. Their reporting software is driven by the point number, not our call signs.

Thanks for your help!

— Ed Holloway, KØRPT

### T-SHIRT CONTEST!

There will be a prize for the oldest-year Field Day t-shirt worn by a Ham at the June 12 club meeting. Even if you have just a 2019 t-shirt, wear it, as there will be a drawing at the end of the meeting.

— Jeff Bennett, WØWKP  
Field Day Chairman

up at the June 12 club meeting and note if you have a fox hunting antenna. If you are unfamiliar with fox hunting, there will be a short 'how-to' session before the hunt begins. It would be a great help if there are Elmers available to help with the hunt.

Mahoney Park has a nice playground for the youngsters, as well as a bike path. Come out early on Saturday and spend the day. Operators are needed to keep the microphones humming for the entire 24 hours of Field Day.

Check the schedule at the June 12 meeting, or contact Chuck Bennett, KDØPTR, to sign up as a Field Day station operator. Contact Chuck at (402) 875-2594 or [kd0ptr@gmail.com](mailto:kd0ptr@gmail.com) to commit to 1-2 hours of the 24-hour Field Day schedule.

Field Day is a success when Hams step up and volunteer. There will be Hams available to give tours of Field Day operating stations. Stop by the GOTA tent and pick up a free packet of information.

If you can help with security Friday and Saturday evening, bring your tent or camper and spend the evening. Mahoney has no electricity available and offers only primitive camping.

I hope to hear you all on the air. Thank you for your help to promote LARC and Amateur Radio through this year's Field Day!
