PRESIDENT'S COLUMN

As we near the end of 2019, I want to express my sincere thanks to all who have participated in club events this year. Much thanks to all the committee chairs and their committees. Each

committee has gone beyond anything I could have expected. The club and everyone who has taken part have enjoyed some good times in all areas. The team of Board members has come together to continue the forward movement of our club, and it's really showing. Thank you all so much!

There are just a couple more events left in the year. One is our annual Christmas/holiday gathering. We'll again meet at the Elk's Lodge. If you're a member, dinner is on the club. It's a perk of being a member. Annual award winners will also be announced. Bringing a dish is not a requirement to participate, but it is encouraged. Some have brought food in the past, and it was very tasty.

Remember, all membership rules apply. I look forward to seeing everyone.

As I write this, the first snow is falling, and I'm listening to the 80-meter net. I finally got an HF antenna up. I heard Curt Pikschus,

NØGVK, check in. I haven't heard his voice in quite a few years. That was nice and I think I'll have to work on a wire now.

Tomas Hood, NW7US, will be on hand to give another great presentation at the November club meeting.

See you all at the club meeting!

— Ed Holloway, KØRPT

GHOST (FOX) HUNT RESULTS

Harrison Gubser, NØHDG, Mike Long, KØSHC, and myself had a great afternoon hiding during the Ghost (Fox) Hunt on Sunday, October 27. We were hiding at little-known Merganser Lake in far SW Lancaster County. You have to drive down a narrow tree-lined gravel lane for about half of a mile to get to it. It was a perfect spooky spot!

Martha and Greg Brown, KYØK and KTØK, were the first to find us after 90 minutes. Awhile later, we led Chuck and Bev Bennett, KDØPTK and KDØPTR, and Dean Christensen, NEØUS, to our spot with some extra hints.

It was a small group, but we had a grand time.

Kelly Gubser, NØKDG

BOARD MEMBER ELECTIONS

The Lincoln Amateur Radio Club, Inc. is a 501(c)(3) organization, which requires a Board of Directors to monitor activities, treasury, and assets. In accordance with LARC Bylaws, the president appoints a committee to handle yearly elections.

The nominating committee members are Mike Long, KØSHC; Heather Chesnut, KDØBXA; Lance Ferguson, WUØQ; and Eric Bigham, KØJIA.

If you have considered running for the Board, we have begun the process of gathering names for the upcoming ballot and election in December.

Elected club members serve a two-year term and, every year, four members of the current Board are up for re-election, along with those who choose to run.

If you enjoy involvement and want more to

do with the club, consider running for the Board. You must be in good standing with your membership.

If you want to serve on the Board, submit your name, a recent photo, and a short bio (250 words or less) to a member of the nominating committee by **Sunday, November 24**, for publication in the December LOG.

Additionally, there will be an open time during the November meeting for the committee to receive nominations from the floor.

All candidates will be given the opportunity to deliver a short speech at the December meeting prior to the vote.

Please consider running. This is an important and rewarding opportunity for all club members!

— Mike Long, KØSHC
Nominating Committee Chair

LARC AWARDS

The award season is upon us. Let's take a look at the background and rules of each of the awards offered annually by the Lincoln Amateur Radio Club.

ROBERT FRICKE HOMEBREW AWARD

Funded by a generous contribution to the Lincoln Amateur Radio Club, this annual award will include a certificate and \$100 cash. At the November meeting each year, a panel of judges will evaluate entries, apply a consistent scoring system and the awards committee will announce the winner at the club's annual holiday party.

Bob Fricke, WØPOL, was a consummate builder, producing finished products that could have been mistaken for commercially manufactured equipment. After he died in 2004, many of his kits were sold at auction. Bob's wife, Martha, established the award in 2005.

For each entry, each judge will score the entry and then turn in the signed sheets to the awards committee. Only current members of the Lincoln Amateur Radio Club will be eligible for the award. The judging criteria is as follows. Bring your homemade item to the November meeting for judging.

Each judge will award up to 10 points for each of the following criteria:

- ◆ Overall appearance (to a layman)
- ◆ Circuit appearance (soldering, etc.)
- ◆ Overall design/layout
- ◆ Custom design (five automatic points if the circuit was developed by the entrant)
- ◆ Operation
- ◆ Achievement of objective (Does it do what was intended?)

JERRY COX AWARD

In the early 1950s, Jerry Cox, WØMAO, was without a doubt the most active Ham in the Lincoln area. Though disabled and in a wheelchair, he was on the air constantly, monitoring several frequencies and providing assistance where needed. Jerry became a silent key about 1960, and his mother thought it seemed fitting to recognize Amateur Radio operators who carried on his dedicated interest in ham radio. At that time the Jerry Cox Award came into being, sponsored by the Lincoln MARS Club [used at NEMA EOC].

The award was to be presented annually to the Ham whose interests closely followed the interests of Jerry — excellent operating techniques, active in public service, and interest in experimenting and exploring things of a technical nature. In addition, the Ham should be friendly to all and eager to help new Hams. It is not designed to be a popularity contest. Nominees are to be made by fellow Hams and the recipient selected from those nominated.

All nominations are to be in writing and submitted to the selection committee no later than Friday, November 15. The recipient has his or her name and call affixed to the award plaque, recognizing excellence in the Amateur Radio community.

ED WOERNER MENTORING AWARD

This award is presented to an individual who has acted as a mentor (or "Elmer") and helped other Ham operators to advance in the hobby. By definition, a mentor is a wise and trusted counselor or teacher. Ham operators have a tradition of helping one another, and the Ed Woerner Award is given to one whose assistance has gone above and beyond what would have been expected. Nominations for this award are sought from Amateur Radio operators in the area; club membership is not necessary.

JERRY KOHN PUBLIC SERVICE AWARD

Jerry Kohn, WDØEGK, died of a stroke on November 2, 2008. Dr. Kohn was a family dentist to some club members, but to many more of us, he was the spark plug for numerous public service events. He was one of a handful of Hams who had worked with the Cornhusker State Games every year since its inception in 1984.

There was seldom a public service event that Jerry missed. His volunteer hours total was either at the top or near the top of the list year after year. Jerry served on the LARC Board a total of 14 years, beginning in 1980. The Jerry Kohn Award was created in 2008 to recognize outstanding public service by a club member based on statistics showing total participation and factors such as total hours or bike miles.

STEVE MAY AWARD

Steve May, WAØASM, loved a challenge and always worked to fix his own radios as well as those of others. He was a man who never needed recognition but was always there to help. This award recognizes a club member who sees a need and steps forward to take it on without expecting recognition, and always with a smile. The current Board will select the recipient in consultation with Dianna May and present the award at the club holiday party.

2019 LARC AWARDS

All requests and nominations for the Jerry Cox, WØMAO, and Robert Fricke, WØPOL, Awards can be submitted online at neares.net/larc-awards or emailed to Ed, KØRPT, no later than **Friday, November 15**, to allow time for judging and plaques to be printed.

LARC HOLIDAY PARTY: SATURDAY, DECEMBER 14

The theme for this year's holiday party will be exactly like years past: Family! First, a big thank you to Randy King, KØNC, and Maureen Sadler, KDØNM. LARC has again been provided access to The Elks Lodge #80 for our venue. It is a very nice facility with all the amenities, including a lounge attached to the dining area.

Here are the particulars you will want to know. The date is Saturday, December 14, 2019. Doors open at 5:00 pm, and the dinner will begin at 6:00 pm. The annual awards will be given after the dinner is served. There will be a cash bar available for those who would like to enjoy an adult beverage with their meal.

LARC will supply turkey, ham, and stuffing. The club will also provide a sweet dessert this year. We ask that you please bring a side dish to share — yams, veggies, beans, salad — whatever you hanker with your holiday feast. If you would prefer to leave the cooking alone but still want to help with the feast, please speak with Heather or Maureen, and we will accommodate you.

The holiday party is a benefit for 2019 club members and those who have paid their 2020 dues. So, if you are paid up, plate up!

If you are not a member for 2019 and haven't paid your dues for 2020 — but would still like to join in the fun — Greg Brown, KTØK, and Heather Chesnut, KDØBXA, will be available to accept your dues payment at the door.

Entertainment for the evening will be the company of fellow Hams and their families under soft holiday music.

There is no need to RSVP. There will be plenty of food for everyone! We look forward to seeing you there.

Elks Lodge #80, 5910 S 58th St, Lincoln
