

## MARCH MEETING 7:30 PM, WEDNESDAY, MARCH 11 LI-COR, LINCOLN, NEBRASKA

### MARCH CLUB MEETING

#### KEN DEWEY, WDØBIV

It's that time of year again, and our very own Ken Dewey, WDØBIV, will be the speaker at our March 11 club meeting. Ken will look at last year's severe weather in Nebraska, including the devastating Nebraska flooding of March 2019 and the surprise Lincoln tornado of last May. He will also look ahead to this year's severe weather season.

— Jeff Bennett, WØWKP

## PRESIDENT'S COLUMN

Happy March! It looks like the weather is trending warmer. I suppose we will get confirmation of that from Dr. Ken Dewey, WØBIV, at the club meeting on Wednesday, March 11. Ken's talk is

one of the highly anticipated and most-attended meetings of the year, so plan to be there ahead of the 7:30 pm start time.

Thank you to Bev Bennett, KDØPTR, for her service to the LARC Board. Please welcome Jim Nelson, WØJRN, to the LARC Board of Directors. Jim currently serves as the District Emergency Coordinator for ARES in southeastern Nebraska.

We finally have a club directory! The 300 directories have been published and are ready for distribution. The first priority for the directory will go to the 276 club members for 2019. We have 24 copies available on a first-come, first-served basis for members who are new to LARC in 2020. Directories will be distributed at the March, April, and May meetings. To get yours, see club secretary Heather Chesnut, KDØBXA, so she can check you off the list. After the May meeting, those club members who have not picked up one will receive it by mail

in June. Thank you to Aaron Rogge, NØADR, for his work compiling, formatting, and printing the directory.

Plans are being finalized for the Spring Technician class. Watch the LARC website and social media for updates. If you know anyone who is interested in becoming a Ham, please encourage them to attend! And, speaking of that, have you thought about becoming an ARRL instructor? Aaron Rogge and Bryan Leavitt, WØBCL, do a great job instructing our classes, and we could always use more teachers!

Additionally, we're always looking for more Volunteer Examiners (VEs) to help with testing. Any Ham who is a General or Extra can become certified through the ARRL. Talk to myself or Aaron to get more information.

It's time to gear up for the ARRL Convention on Saturday, March 14, Weatherfest on Saturday, April 4, and SKYWARN and public service season following right behind. It is busy season for us. If any of these are something you want to be a part of, speak with any director or the committee chairs listed on page 2 of this LOG.

Have a great month!

— Justin Williamson, WJØTX

## NEBRASKA ARRL CONVENTION

Mark your calendars for March 14 for the Annual Nebraska State ARRL Convention!

The convention is at the Lancaster Event Center in Lincoln. Doors will open at 8:00 am. Entry fees are \$5.00 for club members, \$8.00 for non-members, and children 16 and under free.

Looking to get your license? VE exams will be held from 9:00 am to 1:00 pm.

A highlight of the convention will be lots of vendors/flea marketers, general prizes, and THREE GRAND PRIZES! So, if you received money from Christmas and want that radio or equipment for your shack or mobile, now would be the time to look over all the items NEW and OLD!

If you are a flea marketer and want to set up early, we will have the event center open from 12:00 pm until 5:00 pm on Friday, March 13. You may also pay for your tables and entry fees at that time. Tables are \$10.00 each, with a seven table limit. Please keep your receipts for easy entry on convention day. You may also order your table(s) and pay your entry fee via Paypal at [LincolnHamfest.org](http://LincolnHamfest.org).

The public is encouraged to attend, so if you know of someone interested in Amateur Radio, bring them along!

We have three interesting speakers this year. Former State Senator Ken Haar is going to present "The Future Ain't What It Used to Be." Joe Eisenberg, KØNEB, will talk about FT-8 and FT-10. We welcome back Dan Henderson, N1ND, from the ARRL, to

present "HF Radios and How to Use Them" and "HF Operating." Additionally, Matt Anderson, KAØBOJ, our ARRL Section Manger, will be hosting a forum. I hope you will welcome these speakers and attend their forums. They have a lot of good information to share with us.

The ARRL will be represented again, so please stop by their table to get your ham radio questions answered.

We need your HELP! It takes quite a lot of work to get everything set up. The day before, we need help setting up tables and chairs. On convention day, helpers are needed to manage the doors and assist folks and their equipment to the tables. If you are available to help, please contact me at [k0shc13@yahoo.com](mailto:k0shc13@yahoo.com) or visit with me at a club meeting. Your help is really appreciated. Thank you!

Please visit the website [LincolnHamfest.org](http://LincolnHamfest.org) for updated information. I hope to see you at the convention!

Remember to get the word out and invite anyone who isn't a Ham to come and join us! THE PUBLIC IS MOST WELCOME!

— Mike Long, KØSHC  
Convention Chair

## 2019 LARC AUDIT REPORT

Committee Members: Heather Chesnut, KDØBXA; Greg Brown, KTØK; and Fred Eriksen, KBØLF

Date: Sunday, February 23, 2020

Our ledgers in Quicken were compared against the bank statements. All debits and credits were confirmed.

The group discussed potential use of a club credit card and if it was needed for paying any bills online. The one transaction that was found potentially could have been done by providing bank information, but is also not a recurring debit, so it was treated as a reimbursement.
