

MAY MEETING

7:30 PM, WEDNESDAY, MAY 13
WEBEX VIRTUAL MEETING

MAY CLUB MEETING

The May club meeting will be held online via WebEx (<https://bit.ly/2KEY65D>). If you have any questions about joining the meeting, please email president@k0kkv.org.

The Amateur Radio Emergency Service® (ARES) consists of licensed Amateur Radio operators who voluntarily registered their qualifications and equipment with local ARES leadership for public service communications duty when disaster strikes. The ARRL set in motion a new ARES strategic plan to improve collaboration with government and human services agencies and streamline community disaster response.

The LARC May club meeting presentation, "Intro to ARES," will give a history of ARES and outline what you can do as a volunteer. We'll also give the "nuts and bolts" of the organization. James Nelson, WØJRN, Southeast Nebraska District Emergency Coordinator (SE NE DEC), and Ed Holloway, KØRPT, Nebraska Section Emergency Coordinator (NE SEC), will tag-team this presentation. Please plan to attend this online presentation on Wednesday, May 13, at 7:30 pm via www.neares.net/larcmeeting.

— Jim Nelson, WØJRN, and Ed Holloway, KØRPT

PRESIDENT'S COLUMN

It's not November, but this month is about being thankful.

I am thankful for the many members of our club who have stepped up to help in unexpected

ways in the last two months. Thanks to Aaron and Jeri Lyn Rogge, NØADR and NØJLR, for not only getting the LOG out but for pushing multiple updates and cancellations out to our website and through the LOG. They also prepped the envelopes so Heather Chesnut, KDØBXA, could stuff, seal, and send the April LOG. With their help, we engaged in social distancing while still sharing important information.

I am thankful for Ed Holloway, KØRPT, for agreeing to give his upcoming April club presentation from my home office. I intend to continue providing a live stream option as long as there's a concern about the spread of COVID-19. Even when we are able to meet again in person, I know some will have concerns about being out in public. I plan to accommodate a live stream option as often as possible.

I am thankful for those of you who responded to the spotter activation and to those who helped with Meals on Wheels. While our traditional public service may be temporarily suspended, we have continued to support our community and stand ready to assist with any other challenges that may arise.

I am thankful for our convention committee. Mike Long, KØSHC, and his team were able to quickly get our convention back on track after its sudden cancellation. Now, we'll be hosting the convention on Halloween. Not to worry Husker fans; the game will be in Columbus, Ohio that day.

Finally, I am thankful for all of you who have been declared "essential": the checkers at grocery stores, daycare workers, delivery drivers, police officers, firefighters, EMTs, doctors, and nurses. All of these individuals, and more, continue to go into work every day to make this world a better place.

To each and every one of you, thank you.

— Justin Williamson, WJØTX

2019 CLUB DIRECTORIES

Thank you to everyone who was able to pick up their directories at the March club meeting. Since we were unable to disperse the remaining directories at the April and May meetings, it was decided to mail them to members. Most of you should have already received them, as they were mailed Friday, April 24. Any directories that are returned and are unable to be forwarded will be available to 2020 club members.

If you are a new member in 2020, please e-mail me at secretary@k0kkv.org, and I will mail you a directory while supplies last.

— Heather Chesnut, KDØBXA

LARC RESPONDED

Pastor Mike Brill of the Stromsburg Baptist Church in Stromsburg, Nebraska, sent an email to several ham radio clubs, asking for help setting up an FM transmitter for their church's Easter Service.

LARC responded. Justin Williamson, WJØTX, received the request and contacted Ed Holloway, KØRPT, who called Joe Eisenberg, KØNEB. Joe had exactly what was needed. Ed met with Pastor Mike to deliver the equipment and some instructions. The church was up and running in time to use the system for a funeral the day before the Easter service.

Thank you to everyone who worked together to help out a church in need.

— Ed Holloway, KØRPT

CORNHUSKER STATE GAMES

The Nebraska Sports Council is actively monitoring the COVID-19 situation. As of the printing of this LOG, the Cornhusker State Games are still on. National Anthem finalists have been selected for the opening ceremonies, and the Torch Run has transitioned to a virtual event. Updates are posted the CSG Facebook page: www.facebook.com/thenebraskasportscouncil.

Mark your calendars for July 17-19 and 25-26. I will send invites soon to line up volunteers. However, you don't have to wait. Email me at csg@ajrogge.com with where you want to help out, and I'll get you signed up.

— Aaron Rogge, NØADR

MIKE DISNEY, NØDIZ, UPDATE

Mike Disney, NØDIZ, is in the final stage of his life and has moved to Superior, Nebraska, where he grew up and his family resides. If you would like to send Mike a card, mail it to Mike Disney, NØDIZ, c/o Good Samaritan Society - Superior, 1710 Idaho Street, Room 121, Superior, Nebraska 68978.

Mike has been a member of LARC for many years and has been an active volunteer and storm spotter. In spite of Mike's limitations, he was always available to help. Mike served as net control operator on the 146.760 repeater on Tuesday evenings. Please pray for Mike as he enters into this difficult time of life.

— Chuck and Bev Bennett,
KDØPTK and KDØPTR

APRIL VE EXAM UPDATE

**ARRL
VEC**

After our canceled session in April and local escalation of the COVID-19 situation, we have been trying to

find a way to host testing sessions. I found several articles on the web about clubs utilizing video conferencing and testing software. This option is in the early stages and pending ARRL approval. We continue to seek options and work with the ARRL for remote testing solutions.

For the May session, we will meet at Holmes Lake Park in Lincoln (70th and Normal Street) at the covered picnic shelter to the north of the playground. We will require VEs and examinees to maintain social distancing guidelines during the exams. Also, depending on the number of examinees, we may need some to complete exams in their own vehicles.

For us to host successful sessions, we will need several additional VEs — more than the minimum of three. If any VEs are available to attend, we would appreciate any help we can get.

In the meantime, we will keep looking for ways to administer remote testing sessions. Stay tuned to the KØKKV website for updates as we all trudge through the pandemic.

— Chris Evens, KCØPJR

SKYWARN®

By now, you all should have received your 2020 SKYWARN® spotter packet. Much thanks to Aaron Rogge, NØADR, for your help!

Please let me know if you have not received your packet. The changes mainly consist of updated repeater information, and we may see some additional changes later this year. Please keep an eye on [NEARES.NET](https://www.vea.org/NEARES) and [KOKKV.ORG](https://www.kokkv.org) for those changes.

Many thanks to all who attended last month's online club meeting. The database we use to track your credentials and online courses has been updated to reflect your attendance. If you attended one of the NWS webinars and received an email with a certificate of attendance, please send me a copy of that certificate at kOrpt@arrl.net.

Let's all be safe and have a great storm season!

— Ed Holloway, KØRPT
ARES NE Section Emergency Coordinator

SOCIAL MEDIA

LARC is on Facebook and Twitter! Search for "Lincoln Amateur Radio Club" on either network, or navigate to fb.me/LARCLincoln and twitter.com/KOKKV. We also have a Lincoln Amateur Radio Club KØKKV group on Facebook at bit.ly/LARCgroup.

— Justin Williamson, WJØTX

SALVATION ARMY "DONUT DAY" SPECIAL STATION

Lincoln SATERN Amateur Radio Club, KØSAL, will celebrate the Salvation Army "Donut Day" 82nd anniversary, Friday, June 5, from 9:00 am-5:00 pm, with a special event station on 20 meters at 14.318. It is listed in QST and CQ magazines. QSL card and certificate with SASE to Chuck Bennett, KDØPTK, PO Box 67181, Lincoln, NE, 68506.

Many people celebrate National Donut Day, the first Friday in June. It was started by the Salvation Army in 1938 to help those in need during the Great Depression and commemorate the work of the "Donut Lassies," who served donuts to soldiers during World War I.

The Salvation Army helps more than 23 million people in need each year. Donut Day serves as a symbol of the comfort that the Salvation Army provides to those in need through its many social service programs.

— Chuck Bennett, KDØPTK

ABOUT THE LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, further the experience of those already licensed, and create international goodwill.

The *Lincoln LOG* is mailed monthly to all paid members of LARC and to all Lancaster County, Nebraska, Hams.

If your label says, "COMPLIMENTARY," please consider joining the club and supporting its activities. Even if you are not currently active, your contribution will help to ensure the future of Amateur Radio. Annual dues are only \$20. For your convenience, please join by completing and mailing in the form below or visit k0kkv.org and use PayPal.

The *LOG* solicits your input. If you have an idea for an article, wish to contribute an article or photo, or want to place an ad in the *LOG*, contact the editors at log@k0kkv.org. The deadline for each issue is generally the last Tuesday of the previous month.

The *LOG* and other Lincoln Amateur Radio Club information are available at k0kkv.org and at facebook.com/LARClincoln and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.
