## PRESIDENT'S COLUMN

The year is quickly coming to a close, which may be a welcome sight for some, considering what all 2020 has thrown at us!

First, it is with regret that the Board has postponed the 2020 Lincoln Hamfest, the ARRL Nebraska State Convention, until March 2021. More details about the postponement are on page 5 of this LOG.

Next, it is officially election season, not just for our government, but also for LARC! We are bound by LARC bylaws to invite at least five candidates to campaign for four open Board seats in order for the club to hold an election. I hope you will consider running for the Board. The committee would love to put your name on the ballot.

The onset of fall also means that we are looking for nominees for club awards that will be presented in December. This year, we will announce recipients of the Jerry Cox, Ed Woerner, and Steve May awards, so get those nominations in!

The September meeting will again be held on Zoom, and we remain grateful to the ARRL Midwest Division for providing this

service for free. The October and November meetings will be held on Zoom, and possibly in person, depending on the latest DHMs. The December meeting will be held in person so that we may conduct the election. Details of the December meeting will be forthcoming as we navigate our current reality.

I hope to see you all online at the September club meeting. Additionally, if you are an LARC member, you are welcome to join our Board meetings. E-mail me at [president@k0kkv.org](mailto:president@k0kkv.org) for meeting connection information.

— Justin Williamson, WJØTX

## BOARD MEMBER ELECTIONS

Photo by Camylla Battani on Unsplash

The Lincoln Amateur Radio Club, Inc., is a 501(c)(3) organization, which requires a Board of Directors to monitor activities, treasury, and assets. In accordance with LARC bylaws, the president appoints a committee to handle yearly elections. The election committee chair is Maureen Sadler, KDØONM.

If you have considered running for the Board, we have begun the process of gathering names for the upcoming ballot and election in December.

Elected club members serve a two-year term, and every year, four members of the current Board are up for re-election, along with those who choose to run.

If you enjoy being involved and want more to do with the club, consider running for the Board. You must be in good standing with your membership to be considered as a candidate.

If you want to serve on the Board, submit your name, a recent photo, and a short bio (250 words or fewer) to Maureen Sadler or Greg Brown, KTØK, by Wednesday, October 14, for publication in the November LOG.

Additionally, there will be an open time during the November LARC meeting for the committee to receive nominations from the floor. Nominees from the November meeting will not be able to publish a bio prior to the election. All candidates will be given the opportunity to deliver a short speech at the December meeting prior to the vote. It is better for you to submit your name in October!

Please consider running. This is an important and rewarding opportunity for all club members!

## AUGUST VE EXAM SESSION

### ARRL VEC

We had another easy month in August, although we did need to change pavilions due to our primary

one close to the dam at Holmes Lake being occupied. At least it was easy to find us with the HAM RADIO signs by the road.

This month we had five examinees attend, and I am glad to report that they all passed or upgraded their licenses. The results are as follows:

#### TECHNICIAN

- ◆ Gerald Neyenhouse III, KFØBFI, Deshler
- ◆ Jason Norris, KFØBFG, Lincoln
- ◆ Liam Baumann, KFØBFJ, Lincoln
- ◆ Michael Bourke, KFØBFH, Omaha

#### EXTRA

- ◆ Daniel Strehle, KFØAWM, Crete

We thank the three VEs who sacrificed their time to assist with this month's session: WØBCL, KCØPJR, and KEØWUE.

Our upcoming dates at Holmes Lake Park are September 3 and October 1. We still have November 5 on the calendar, but because the weather turns colder at that time of year, we want to bring our sessions indoors. Any winter-month location suggestions would be appreciated. Please send them to me at [webmaster@cvctrailblazers.org](mailto:webmaster@cvctrailblazers.org). Thank you in advance for sharing your ideas.

— Chris Evens, KCØPJR

## LINCOLN HAMFEST UPDATE

The convention committee recommended the LARC Board postpone the convention, originally scheduled for October 31, and the Board accepted this recommendation. The reasons for postponing a second time this year were many, but safety and protecting everyone's health was the top priority!

So, as the saying goes, will we be "third time lucky"? We are tentatively planning to schedule the convention in March of 2021, with a specific date to be determined, pending favorable county health directives that allow us to have a safe convention.

Thanks to the committee members and those who helped with their input in determining this outcome. I hope we will have a convention next year!

— Michael Long, KØSHC  
Convention Chair

## CSG VOLUNTEERS

Thank you to all the volunteers who helped out with the Cornhusker State Games this year. Your time and expertise is greatly appreciated. Volunteer: NØADR, KFØAWO, WØBCL, KDØDEU, KEØELM, KEØEQY, KEØERA, NØGUB, NØJLR, KBØK, KRØKAT, KØKPH, WXØL, KØMXE, KØNEB, NØOLK, KDØONN, NØPIO, KDØPTE, KBØQEY, KFØRCH, WØRJN, KDØRPT, KØSHC, KEØTNR, KDØTPP, KEØUNL, KDØWDP, NØYNB, KDØZNM, Ayden Rogge, Kay Duncan, Liam Rogge, and Sarah Rogge.

## ANNUAL AWARDS

The award season is upon us. Let's take a look at the background and rules of each of the awards offered annually by the Lincoln Amateur Radio Club.

### JERRY COX AWARD

In the early 1950s, Jerry Cox, WØMAO, was without a doubt the most active Ham in the Lincoln area. Though disabled and in a wheelchair, he was on the air constantly, monitoring several frequencies and providing assistance where needed. Jerry became a silent key about 1960, and his mother thought it seemed fitting to recognize Amateur Radio operators who carried on his dedicated interest in ham radio. At that time the Jerry Cox Award came into being, sponsored by the Lincoln MARS Club [used at NEMA EOC].

The award was to be presented annually to the Ham whose interests closely followed the interests of Jerry — excellent operating techniques, active in public service, and interest in experimenting and exploring things of a technical nature. In addition, the Ham should be friendly to all and eager to help new Hams. It is not designed to be a popularity contest. Nominees are to be made by fellow Hams and the recipient selected from those nominated.

All nominations are to be in writing and submitted to the selection committee no later than Friday, November 15. The recipient has his or her name and call affixed to the award plaque, recognizing excellence in the Amateur Radio community.

### ED WOERNER MENTORING AWARD

This award is presented to an individual who has acted as a mentor (or "Elmer") and helped other Ham operators to advance in the hobby. By definition, a mentor is a wise and trusted counselor or teacher. Ham operators have a tradition of helping one another, and the Ed Woerner Award is given to one whose assistance has gone above and beyond what would have been expected. Nominations for this award are sought from Amateur Radio operators in the area; club membership is not necessary.

### STEVE MAY AWARD

Steve May, WAØASM, loved a challenge and always worked to fix his own radios as well as those of others. He was a man who never needed recognition but was always there to help. This award recognizes a club member who sees a need and steps forward to take it on without expecting recognition — and always with a smile. The current Board will select the recipient in consultation with Dianna May and present the award at the club holiday party.

### 2020 LARC AWARDS

All requests and nominations for the Jerry Cox, WØMAO, and Ed Woerner awards can be submitted to Randy King, KØNC, no later than Friday, November 6, to allow time for judging and plaques to be printed.

## PUBLIC SERVICE

We need some help on Sunday, September 13, at Branched Oak Lake for the YMCA Last Blast Triathlon! If you are available and want to help, please contact me at [k0shc13@yahoo.com](mailto:k0shc13@yahoo.com). This is a fundraiser, so please consider helping this worthy cause. We are needed for a few hours in the morning and early afternoon. Safety and social distancing measures will be implemented, and volunteers will have no direct contact with participants! We are there to observe and get help when needed, so please consider signing up.

Additionally, I have been contacted by Pink Gorilla Productions, and the Market to Market Relay Race is a go! They have received permission from the state health department to hold the event. The route has changed a bit, and the event should go pretty quickly. If you are available on Saturday, October 3, please email me. Pink Gorilla Productions really appreciate our efforts and, in the past, have made donations to the club. The event is operated in cooperation with Aksarben Radio Club from Omaha. No contact with participants will also be the rule of the day for your health and safety.

Finally, the Good Life Halfsy Race is a go on Sunday, November 1! I will share more information on that event when I receive it.

So, if you want to get out of the house to do some FUN radio work, please consider helping.

— Mike Long, KØSHC  
Public Service Chair

## WANTED

I am looking for creative ways to upgrade my Baofeng dual-band radio I've had since 2012.

I'm interested in a dual-band mobile setup or two, as well as a decent dual-band base setup. At minimum, I'd want to operate at 50 watts, but more would be great. Additionally, if I can find a better base antenna than the dual J-pole antenna I currently have, I could put this on my truck — unless I can swap for a better mobile antenna. I'm always game to check out HF antennas and accessories, as well as other Ham gear.

I have a lot of interesting items available for swapping: Antiques, collectibles, a professional sound and lighting system for bands, and a recording studio full of musical equipment.

If you are willing to explore the possibilities, I can be reached by text at 402/480-0992 or email at [kd0rtp@arrl.net](mailto:kd0rtp@arrl.net). 73's!

## ABOUT THE LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, further the experience of those already licensed, and create international goodwill.

The *Lincoln LOG* is mailed monthly to all paid members of LARC and to all Lancaster County, Nebraska, Hams.

If your label says, "COMPLIMENTARY," please consider joining the club and supporting its activities. Even if you are not currently active, your contribution will help to ensure the future of Amateur Radio. Annual dues are only \$20. For your convenience, please join by completing and mailing in the form below or visit [k0kkv.org](http://k0kkv.org) and use PayPal.

The *LOG* solicits your input. If you have an idea for an article, wish to contribute an article or photo, or want to place an ad in the *LOG*, contact the editors at [log@k0kkv.org](mailto:log@k0kkv.org). The deadline for each issue is generally the last Tuesday of the previous month.

The *LOG* and other Lincoln Amateur Radio Club information are available at [k0kkv.org](http://k0kkv.org) and at [facebook.com/LARClincoln](https://facebook.com/LARClincoln) and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.
