

## OCTOBER MEETING

7:30 PM, WEDNESDAY, OCTOBER 14

ZOOM VIRTUAL MEETING

### OCTOBER CLUB MEETING

The October club meeting will be via Zoom: <http://bit.ly/LARCNovMeeting>  
Meeting ID: 850 6270 3061; Passcode: 561270. If you have questions about joining the meeting, please email [president@k0kkv.org](mailto:president@k0kkv.org).

### DIGITAL MODES WITH JOE EISENBERG, KØNEB

I will present about FT8, FT4, and another new digital mode just released for the 630 meter and 2200 meter VLF bands. I'll give an overview of what's needed to get started in these modes and explain why they are so popular. I will also share why FT8 is the most popular digital mode, practically taking off overnight, and how it's become a phenomenon.

— Joe Eisenberg, KØNEB

## PRESIDENT'S COLUMN

The leaves are changing, and the air has chilled. Fall is upon us. After a great deal of uncertainty, football is returning to Memorial Stadium, bringing with it a semblance of normalcy.

We are still examining our options for in-person meetings and the holiday party and will communicate those as soon as we know more.

Enjoy the beautiful weather, and stay well!

— Justin Williamson, WJØTX

In the vein of normalcy, we still have public service events coming up, including the Good Life Halfsy. Please reach out to Mike Long, KØSHC, if you can assist!

This month, we'll have Joe Eisenberg, KØNEB, presenting at our monthly club meeting. Joe will share what was to have been his presentation for the Lincoln Hamfest.

As we look towards the end of the year, our November meeting will be the presentation (and floor nominations) of candidates for the 2021 Board of Directors. Our December meeting will be the election of those new Board members.

Maureen Sadler, KDØONM, is continuing to take nominations for our upcoming elections. If you are interested in serving on the Board, please reach out to her. Also, keep those award nominations coming!

**"WORK HARD, STAY FOCUSED, AND SURROUND YOURSELF WITH GOOD PEOPLE."**

**~ FORMER HASTINGS COLLEGE FOOTBALL PLAYER TOM OSBORNE**

## 2019 CLUB DIRECTORIES

I still have a few 2019 club directories available. If you were not a club member in 2019 and you are a 2020 member, please e-mail me at [secretary@kokkv.org](mailto:secretary@kokkv.org), and I will get a directory in the mail to you.

These will continue to be available and mailed until there are none left.

— Heather Chesnut, KDØBXA

## SEPTEMBER VE EXAM SESSION

**ARRL  
VEC**

The September session was challenging for the three VEs present. The session could also not be held in one of the park's pavilions, as they were both occupied when we arrived. This made it even more of a challenge for the examinees to find the location. We ended up at a picnic area close to the playground, between the two pavilions.

Due to this delay, any usable sunlight was fading by the time we wrapped things up. As I was finishing the packet to be mailed in, we used flashlights to see what we were doing.

We had a total of 11 examinees. Of the 11, nine passed to receive either a new or upgraded license.

### TECHNICIAN

- ◆ Bodhi Confer-Wood, KFØBQQ, Nebraska City
- ◆ Bill Gilbreath, KFØBQS, Axtell
- ◆ Ray Layne, KFØBQO, Omaha
- ◆ Wesley Johnston, KFØBQR, Lincoln
- ◆ Louis Quattrocchi, KFØBQN, Lincoln
- ◆ Sten Ulrich, KFØBQP, Crete

### GENERAL

- ◆ Mark Basel, KFØAOC, Lincoln
- ◆ Edward McCaskill, KFØBLV, Bellevue
- ◆ Jason Norris, KFØBFG, Lincoln

We thank the three VEs who sacrificed their time to assist with our session this month: KCØDHM, KCØPJR, and WØBCL. We are also grateful for the patience of those who came to take an exam.

### NEW LOCATION

Starting in November, our new location will be the College View Church of Seventh-day Adventists, 4801 Prescott Avenue. Check the KØKKV website for testing location updates.

### UPCOMING DATES

Upcoming exam dates are November 5, December 3, and January 7. Thank you for your continued support of getting new operators introduced and licensed in this wonderful hobby of Amateur Radio.

— Chris Evens, KCØPJR

## PUBLIC SERVICE VOLUNTEERS

Thank you to the following individuals who helped with the YMCA Last Blast Triathlon on Saturday, September 13: KFVØBFJ, KTØK, KYØK, KØKPH, WXØL, KDØONQ, KDØPTF, KØSHC, KEØUNL, and KØWTF.

Thank you also to everyone who helped with the Market to Market Relay on Saturday, October 3. We'll include details in the next edition of the LOG.

I'm still looking for volunteers for the Good Life Halfsy, which is on Sunday, November 1. Please email me at [k0shc13@yahoo.com](mailto:k0shc13@yahoo.com).

— Mike Long, KØSHC

## WINTER PROJECT

With the weather cooling off and old man winter just around the corner, are you looking for a winter project? Would you like to make yourself more prepared, should a disaster strike?

Consider working on your FEMA and ARRL Emergency Communications certifications. Almost all of the classes are free and available online. A listing of the recommend courses, with links, is available on the [NeARES.net](http://NeARES.net) website.

As you complete the courses, be sure to send copies of your certificates to Ed Holloway, KØRPT, at [k0rpt@arrl.net](mailto:k0rpt@arrl.net), so he can update your ARES profile. That way, he will know who to call when there is a need!

— Aaron Rogge, NØADR  
Lancaster County AEC

## ON THE AIR MAGAZINE

Starting in 2020, the ARRL began producing a magazine specifically for new Hams or those looking to get more active in Amateur Radio.

*On the Air* is a bi-monthly magazine that is free to all ARRL members. Articles cover basic radio technique, how-to's, tips, simple projects, and much more. The articles are written in a clear style that is easy to read and understand.

I have found the magazine to be very approachable and enjoyable to read. I highly recommend it to anyone wanting to get more involved.

There is also a free monthly podcast that is designed to accompany the magazine. It takes a deeper look at some of the articles and projects in the magazine.

To learn more about the magazine, check out [www.arrl.org/on-the-air-magazine](http://www.arrl.org/on-the-air-magazine).

— Aaron Rogge, NØADR

## EDUCATION UPDATE

We are currently wrapping up the Technician class. While a date has not been set, the plan is to start the General class in mid-November. Watch the website ([k0kkv.org](http://k0kkv.org)) for details or send an email to [class@k0kkv.org](mailto:class@k0kkv.org) to be notified when a date is set.

— Aaron Rogge, NØADR

## BOARD MEMBER ELECTIONS

Photo by Camylla Battani on Unsplash

The Lincoln Amateur Radio Club, Inc., is a 501(c)(3) organization, which requires a Board of Directors to monitor activities, treasury, and assets. In accordance with LARC bylaws, the president appoints a committee to handle yearly elections. The election committee chair is Maureen Sadler, KDØONM.

If you have considered running for the Board, we have begun the process of gathering names for the upcoming ballot and election in December.

Elected club members serve a two-year term, and every year, four members of the current Board are up for re-election, along with those who choose to run.

If you enjoy being involved and want more to do with the club, consider running for the Board. You must be in good standing with your membership to be considered as a candidate.

If you want to serve on the Board, submit your name, a recent photo, and a short bio (250 words or fewer) to Maureen Sadler or Greg Brown, KTØK, by **Wednesday, October 14**, for publication in the November LOG.

Additionally, there will be an open time during the November LARC meeting for the committee to receive nominations from the floor. Nominees from the November meeting will not be able to publish a bio prior to the election. All candidates will be given the opportunity to deliver a short speech at the December meeting prior to the vote. It is better for you to submit your name in October!

Please consider running. This is an important and rewarding opportunity for all club members!

— Justin Williamson, WJØTX

A woman with dark hair, wearing a light blue shirt, is shown in profile, shouting into a red and white megaphone. The megaphone is pointed towards the right.

## ANNUAL AWARDS

The award season is upon us. Let's take a look at the background and rules of each of the awards offered annually by the Lincoln Amateur Radio Club.

### **JERRY COX AWARD**

In the early 1950s, Jerry Cox, WØMAO, was without a doubt the most active Ham in the Lincoln area. Though disabled and in a wheelchair, he was on the air constantly, monitoring several frequencies and providing assistance where needed. Jerry became a silent key about 1960, and his mother thought it seemed fitting to recognize Amateur Radio operators who carried on his dedicated interest in ham radio. At that time the Jerry Cox Award came into being, sponsored by the Lincoln MARS Club [used at NEMA EOC].

The award was to be presented annually to the Ham whose interests closely followed the interests of Jerry — excellent operating techniques, active in public service, and interest in experimenting and exploring things of a technical nature. In addition, the Ham should be friendly to all and eager to help new Hams. It is not designed to be a popularity contest. Nominees are to be made by fellow Hams and the recipient selected from those nominated.

All nominations are to be in writing and submitted to the selection committee no later than **Friday, November 6**. The recipient has his or her name and call affixed to the award plaque, recognizing excellence in the Amateur Radio community.

### **ED WOERNER MENTORING AWARD**

This award is presented to an individual who has acted as a mentor (or "Elmer") and helped other Ham operators to advance in the hobby. By definition, a mentor is a wise and trusted counselor or teacher. Ham operators have a tradition of helping one another, and the Ed Woerner Award is given to one whose assistance has gone above and beyond what would have been expected. Nominations for this award are sought from Amateur Radio operators in the area; club membership is not necessary.

### **STEVE MAY AWARD**

Steve May, WAØASM, loved a challenge and always worked to fix his own radios as well as those of others. He was a man who never needed recognition but was always there to help. This award recognizes a club member who sees a need and steps forward to take it on without expecting recognition — and always with a smile. The current Board will select the recipient in consultation with Dianna May and present the award at the club holiday party.

### **2020 LARC AWARDS**

All requests and nominations for the Jerry Cox, WØMAO, and Ed Woerner awards can be submitted to Randy King, KØNC, no later than **Friday, November 6**, to allow time for judging and plaques to be printed.

## 15<sup>TH</sup> ANNUAL ARRL ONLINE AUCTION!

The 15<sup>th</sup> Annual ARRL Online Auction ([www.arrl.org/arrl-on-line-auction](http://www.arrl.org/arrl-on-line-auction)) will open for an "early bird" preview and registration on Thursday, October 8, and will open for bidding at 10:00 am EDT (1400 UTC) on Thursday, October 15. The Auction is sponsored by GigaParts. The 2020 ARRL Online Auction includes a large assortment

of ARRL Product Review items, including an SPE Expert 1.5K-FA HF amplifier, ACOM 120S 160 – 6-meter linear amplifier, Yaesu FTDX101D HF + 6-meter transceiver, and an Icom IC-9700 VHF/UHF multi-mode transceiver.

The ARRL Online Auction also features a wide assortment of vintage books, including *The ARRL Handbook*, *Radio for Everybody*, and *CQ Ghost Ship*.

This year, bidders will find a large variety of equipment, vintage books, novelty items, ARRL bundle packs, and a number of special items donated by the cast and crew of Fox Television's *Last Man Standing*, starring Tim Allen as Mike Baxter, KAØXTT.

In order to place a bid, you must register on the ARRL Online Auction website. You may browse the website and scope out those "must-have" items without being a registered bidder, and you can register at any time during the auction. If you are interested in some great bargains — and some great fun — check out the 2020 ARRL Online Auction, which concludes on October 22 at 10:00 pm EDT. Registration begins on October 8 at 10:00 am EDT (1400 UTC) during the auction preview.

Proceeds from the Online Auction benefit ARRL education programs, including activities to license new Hams, strengthen Amateur Radio Emergency Service (ARES) training, offer continuing technical and operating education, and create instructional materials.

## ABOUT THE LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, further the experience of those already licensed, and create international goodwill.

The *Lincoln LOG* is mailed monthly to all paid members of LARC and to all Lancaster County, Nebraska, Hams.

If your label says, "COMPLIMENTARY," please consider joining the club and supporting its activities. Even if you are not currently active, your contribution will help to ensure the future of Amateur Radio. Annual dues are only \$20. For your convenience, please join by completing and mailing in the form below or visit [k0kkv.org](http://k0kkv.org) and use PayPal.

The *LOG* solicits your input. If you have an idea for an article, wish to contribute an article or photo, or want to place an ad in the *LOG*, contact the editors at [log@k0kkv.org](mailto:log@k0kkv.org). The deadline for each issue is generally the last Tuesday of the previous month.

The *LOG* and other Lincoln Amateur Radio Club information are available at [k0kkv.org](http://k0kkv.org) and at [facebook.com/LARClincoln](https://facebook.com/LARClincoln) and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.
