

### JUNE MEETING

7:30 PM, WEDNESDAY, JUNE 9

NORTHERN LIGHTHOUSE CHURCH & ZOOM

### JUNE MEETING

**In person:** Northern Lighthouse Church (6141 N 14<sup>th</sup> St, Lincoln).

**Zoom:** [bit.ly/LARCProgram](https://bit.ly/LARCProgram) (meeting: 937 5139 3405; Passcode: 554816).

### NEMA AND AMATEUR RADIO

Our June presenter is Troy Harris, radio communications systems coordinator for the Nebraska Emergency Management Agency (NEMA). Before joining NEMA, he served in the United States Air Force as a ground radio communications specialist and airfield systems technician. He is a credentialed type 3 communications unit leader and communications unit technician, and he has completed the instructor's requirements for both courses.

Troy's duties include maintaining NEMA's communications systems and equipment, managing the state's IPAWS program, and representing the agency on the state emergency communications committee, AMBER/EMA Task Force, and the state radio system users' group. He will present how NEMA and Amateur Radio work together.

— Jim Nelson, WØJRN

## PRESIDENT'S COLUMN

Much thanks to everyone who attended the May club meeting online or in person. We're getting back to normal! Thirty-eight people attended the meeting in person

and 27 were online. There was a lot of positive feedback about the question-and-answer presentation format. I relayed those comments to Dr. Mentzer.

Speaking of getting back to normal, I'm happy to announce that we have NO DHMs regarding Field Day 2021. We'll have a normal Field Day, where all are welcome to come, fellowship, and learn a thing or two about emergency preparedness. Our setup will be a little different this year, but we'll still operate 3A and offer the GOTA station, provided by Shaun Munson, KØSMM.

The NeARES tower and repeater teams have been very busy this year with several tower and antenna projects completed and five repeaters put back on the air in permanent locations.

Club memberships are on the increase, and we're on course for a great year. Most editions are just for LARC members, so if a local Ham comments about missing this LOG, let them know they need to pay membership dues to receive every edition.

Thanks for your help getting the word out about LARC membership.

Remember to take part in all the public service opportunities available in the next few months. The club and our community need your help.

That's it for now. See you at the club meeting!

— Ed Holloway, KØRPT  
LARC President

## FIELD DAY SCHEDULE

### FRIDAY, JUNE 25

- ◆ 12:00 pm: Setup begins (volunteers welcome)

### SATURDAY, JUNE 26

- ◆ 12:00 pm: Field Day begins
- ◆ 1:30–3:30 pm: VE testing in the shelter
- ◆ 5:30 pm: Potluck dinner in the shelter
  - ◇ Hamburgers, hot dogs, and buns provided
  - ◇ Please bring your own plates, table service, and beverages, and a side dish or dessert to share

### SUNDAY, JUNE 27

- ◆ 7:30 am: President's breakfast
- ◆ 12:00 pm: Field Day ends

## MAY VE EXAM SESSION

**ARRL  
VEC**

I may be jinxing myself by saying this, but it feels like we are getting into our typical slower summer exam

period. Just watch! Because I said this, we will probably have a very busy session next month.

Either way, we still have Hams entering the hobby and increasing their license levels, which is great! For this session, we had four examinees who passed at least one exam for a new or upgraded license.

### TECHNICIAN

- ◆ Brett Jungren, KFØFNY, Elmwood
- ◆ Terry Bartles, KFØFNV, Lincoln
- ◆ Kenneth Kinlund, KFØFNW, Lincoln

### GENERAL

- ◆ Marty Beutler, KFØFNU, Boys Town

Congratulations to our new licensees and upgrades!

This month, we are grateful to the following VEs for their assistance with this session: WØBCL, KCØDHM, KCØPJR, and KEØZUP.

Join us for an upcoming session! Mark your calendar for the first Thursday of each month and join us at College View Church of Seventh-day Adventists, 4801 Prescott Ave. Sessions begin at 6:30 pm.

— Chris Evens, KCØPJR  
VE Coordinator

## CORNHUSKER STATE GAMES

Hey, all you Hams! July is fast approaching, as are the Cornhusker State Games! Mark your calendar. The

Cornhusker State Games are scheduled for July 16–25.

Signing up is easy. There will be sheets at the club meeting. Aaron Rogge, NØADR, has set up an online form at [bit.ly/LARC-CSG](http://bit.ly/LARC-CSG). You can also send an email to [csg@ajrogge.com](mailto:csg@ajrogge.com).

We need volunteers to help with:

- ◆ Opening Ceremonies July 16
- ◆ Gravel Grinder July 17
- ◆ Lunch Deliveries July 17/18 & 24/25
- ◆ Net Control July 17/18 & 24/25
- ◆ Cycle Tour July 24
- ◆ Mountain Bike July 24
- ◆ Triathlon July 25

Many of the activities require a mobile rig. There are a limited number of loaner radios available if you do not have a mobile radio. Email [csg@ajrogge.com](mailto:csg@ajrogge.com) for more information.

Please consider helping! We have been involved with the Games for many years, so let's not disappoint them. CSG leadership truly appreciates our efforts!

Associate Chair for the Games

## SILENT KEY

### BOB MCCOY, NØSCE/SK

Bob McCoy was born in 1946 to Robert E. and Florence R. McCoy in Omaha. He passed away on 1/03/2021 from injuries sustained in a car accident near Nebraska City on 12/10/2020.

Bob graduated from Omaha Central High School and the University of Nebraska at Lincoln with a B.A. in History. He completed Army ROTC and decided to obtain a teaching certification and an endorsement in educational media. He taught math, history, and physics at Weston High School, Lincoln Public Schools, and Norris School District.

His lifelong passion for ham radio drew him to the Lincoln Amateur Radio Club. In more recent years, he was employed as a security guard for Pinkerton and Securitas AB.

Bob was married to Dorothy (Heitmann) Gettman from 1968 until 1977. In 2008, he married Pyong (Suki) Tuschick. He is survived by wife Suki; stepson Jeigh Tuschick of Lincoln; a sister, Gloria McCoy of Omaha; and several cousins, nieces, and nephews. He was preceded in death by his parents and a sister, Patti Ullman.

Memorials can be sent to the family in care of the funeral home. A Celebration of Life is planned for a later date.

## FIELD DAY 2021: JUNE 26-27

Field Day is ON at Mahoney Park, near 70<sup>th</sup> and Fremont Streets in Lincoln. Field Day begins at noon on Saturday, June 26, and concludes at noon on Sunday, June 27. If you have time on Friday, June 25, come out at noon and help us set up equipment! We'll operate 3A, as in the past, and use a similar equipment layout. VE testing will be available on Saturday, 1:30–3:30 pm.

Currently there are no DHMs. Should that change and Lancaster County brings back any DHMs, we will need to **follow them to the letter**. For now, join us for the potluck dinner on Saturday at 5:30 pm. Plan to bring a side dish or dessert to share and your own plates, table services, and beverages. Come back Sunday morning at 7:30 for the president's breakfast. It'll be great to see you and enjoy spending time together.

Please plan to participate in some or all of the Field Day activities with us! Operate a radio and enjoy some overdue time to socialize. We look forward to this element of getting back to normal!

## ELMERING OPPORTUNITIES!

The Lincoln Amateur Radio is putting together a proactive Elmering program! If you are not familiar with the ham radio term "Elmering," it is synonymous with "mentoring." It has a long and proud history in Amateur Radio. Every active Ham has accumulated a tremendous amount of experience and knowledge that they would love to share. You may be one of them!

Alternately, you may be a new or inactive Ham with limited experience who would love to learn more about some facet of ham radio. There is a place for everyone in the Elmering program, whether you are a potential mentor, mentee, or both!

Both? Sounds strange, right? No matter how much experience or expertise we have, every ham operator in the world knows nothing about something. We are all novices regarding some facet of Amateur Radio!

So, as soon as you finish reading this LOG issue, please send me an email ([kt0k@arrl.net](mailto:kt0k@arrl.net)), detailing what you need help with or what you would be interested in learning. If you have expertise in some aspect of ham radio and would be willing to help others, list those topics, too. Be sure to indicate which is which! We'll do our best to match you with the right mentor or mentee for some Elmering magic. Remember, the more responses we get, the more we can accomplish!

Thanks and 73.

— Greg Brown, KTØK

## RADIO AMATEURS OF CANADA INVITES PARTICIPATION IN THE RAC CANADA DAY CONTEST

Here's a chance to enjoy an operating event that is not on a weekend. Help Canada celebrate its birthday on the air during the RAC Canada Day Contest on Thursday, July 1 — just a few days ahead of Independence Day in the US. Canada Day is the anniversary of Canada's confederation, when the three colonies of Canada, Nova Scotia, and New Brunswick united into the Dominion of Canada on July 1, 1867. The RAC Contest Committee asks all participants in the 2021 Canada Day Contest to follow guidelines provided by the government and health officials in their respective areas for any multi-operator categories.

The Canada Day Contest begins on July 1, 0000 UTC (the evening of Wednesday, June 30, in North American time zones) and continues through 2359 UTC.

# LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, further the experience of those already licensed, and create international goodwill.

The *Lincoln LOG* is mailed monthly to all paid members of LARC and five times a year to Lancaster County, Nebraska, Hams.

The *LOG* and other Lincoln Amateur Radio Club information are available at [k0kkv.org](http://k0kkv.org) and at [facebook.com/LARClincoln](https://facebook.com/LARClincoln) and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.

**Lincoln Amateur Radio Club, Inc.**  
PO Box 5006
