

FEBRUARY MEETING

7:30 PM, WEDNESDAY, FEBRUARY 9

LARC CLUBHOUSE & ZOOM

PRACTICAL SKILLS - SOLDERING

Bryan Leavitt, WØBCL

In-person: LARC Clubhouse (**NEW ADDRESS:** 4420 NW 41st St., Lincoln).

Zoom: bit.ly/LARCProgram (meeting: 937 5139 3405; Passcode: 554816).

Masks required: Per the Lincoln-Lancaster County Health Department's Directed Health Measure (DHM), all in-person attendees are required to wear a mask. Thank you in advance!

This month, Shaun Munson, KØSMM, and Bryan Leavitt, WØBCL, will be addressing soldering. After an overview of the fundamental theory, there will be soldering stations available so you can get hands-on experience. There will also be a contest to see who can do the best job soldering a PL259 (aka UHF) connector, with a prize for the winner. If you have a small item that you need soldering help, bring it along, and Shaun and Bryan will assist as time allows.

PRESIDENT'S COLUMN

Aaron Rogge, NØADR, LARC President

February 9 is an important date for many reasons. Here are just a few:

- ◆ 1943: American troops captured Guadalcanal.
- ◆ 1964: The Beatles appeared on the Ed Sullivan Show.
- ◆ 1969: The first Boeing 747 took its initial test flight.
- ◆ 1996: Russian Chess Grandmaster Garry Kasparov suffered his first loss to IBM's Big Blue.
- ◆ 2013: The Knights of Malta celebrated its 900th anniversary.
- ◆ 2022: Lincoln Amateur Radio Club will meet for the first time in its new clubhouse (map on page 9).

It will still be a few months before everything is fully set up, but we've made significant progress. Tables and chairs have been donated, and AV equipment is lined up. The club station walls are cleaned and prepped for painting. Soon our new club station will be operational. We have reserved the use of the entire facility for club and Board meetings, LOG folding, SKYWARN® training, Field Day, and more.

I look forward to seeing everyone and

showing off our new location at the February Club meeting. There is plenty of parking for everyone. We will enter through the main doors, and signs will direct everyone to the meeting room. We will continue to offer the meetings via Zoom for those who cannot join us in person.

Now is the time to pull out your radios and make sure they are programmed and fully operational while enjoying the HF bands as the new solar cycle kicks off. February starts the climb out of winter, and soon it will be spring and summer. As the temperature increases, so do the many opportunities to get out and our radios. On Saturday, April 16, we will have our first SKYWARN® training in three years. A spring flea market is being planned for later in April. Sunday, May 1, is the Lincoln Marathon, which is often our first large, controlled net of the year. Following that is the ARRL Nebraska State Convention on Saturday, May 14. Then there is Field Day on Saturday, June 25, bringing us right into summer.

Thank you for being part of Amateur Radio and the Lincoln Amateur Radio Club. Without you, there is no club. If you haven't already, please take a moment to renew (or start) your membership. Together we will have a great year!

73

SILENT KEY: JAN PERRIN

Family of Jan Perrin

Jan Robert Perrin WAØNNB, 86, passed away on Tuesday, January 4, 2022, in Lincoln, Nebraska. He was born January 1, 1936, in Leon, Iowa, to Willard and Edna (Roldson) Perrin and was one of five children. Jan is survived by his wife of 53 years, Janet (Hunzeker) Perrin and three sons, Gary, Greg (Erin), and Garret (Meghan). He also leaves five grandchildren and three great-grandchildren. He is preceded in death by his parents and a brother, Gary.

Jan graduated from Lincoln High School in 1954, where he liked to tell people he was a classmate of the famous TV personality Dick Cavett. Upon graduation, he enlisted in the U.S. Army, where he served during the Korean War in Germany. He earned the rank of Sergeant First Class while assigned to the 265th Field Artillery Battalion that operated the M65 – 280 atomic cannon, also known as "Atomic Annie." While in the Army, he was awarded several distinctions: National Defense Service Medal, Army of Occupation Medal (Germany), Expert (M-1), and Good Conduct Medal/Sharpshooter (Carbine). He served in the Nebraska Army Reserves from 1957 through 1962. He was a member of the American Legion, Post #3 of Lincoln, Nebraska.

After his honorable discharge from the Army, he took an entry-level job repairing generators at the Surplus Center in Lincoln. He worked at the Surplus Center for over 30 years learning the business and working his

way up to the position of Buyer and General Sales Manager.

From 1970 through 1976, Jan taught fishing classes and organized fishing derbies for kids. A source of pride was teaching Tom Osborne how to fish for bass with a fly rod in Western Nebraska. In 1976, he was awarded the Voluntary Service Award from the Nebraska Parks and Recreation Department. In retirement, he kept busy by driving a school bus for the Lincoln Public Schools.

1964, Jan earned his ham radio license under the call sign WAØNNB. He was a long-time member of the Lincoln Amateur Radio Club and a lifetime member of the Amateur Radio Relay League (ARRL). His ham shack was full of QSL cards from all over the world.

In retirement, Jan enjoyed spending time with his grandchildren and gave them many rides on his riding lawn mower. He loved tinkering with electronics and building computers for his friends and family. He enjoyed swimming to stay healthy but would never miss an opportunity to stop for ice cream on the way home.

A celebration of life service was Saturday, January 15, at Messiah Lutheran Church, Lincoln. The graveside service was at Fairview Cemetery, 8400 Adams St., Lincoln. Memorials may be made to Clinic with A Heart, www.clinicwithaheart.org.

Full obituary: <https://aspenaftercare.com/obituary/jan-robert-perrin/>

SILENT KEY: MERLE RUDEBUSCH

Mike Rudebusch

Merle Allen Rudebusch, WØKFZ, age 88, was born in Randolph, Nebraska, on December 9, 1933. He has lived in Lincoln for the last 49 years and entered his heavenly rest on January 11, 2022. Merle

is preceded in death by his mother, May (Shipman) Rudebusch, and father, John D. Rudebusch.

Merle is survived by his loving wife of 59 years, Arlene (Lambrecht) Rudebusch; his five children, Lori (Robert) Ryman of Elmwood, NE; Sharon (Mark) Poindexter of Bellevue, NE; Michael (Tonya) Rudebusch of Seward, NE; Phillip Rudebusch of Lincoln, NE; Robert (Michelle) Rudebusch of Castle Rock, CO; seven grandchildren: Elizabeth (Shane) Pitts, Kristin Ryman, Daniel Rudebusch, Mikayla Rudebusch, Victoria Rudebusch, Lukas Rudebusch, and Haylee Rudebusch; and a great-granddaughter, McKenzie Pitts.

Merle's funeral service was Friday, January 28, at Redeemer Lutheran Church, 510 S 33rd St., Lincoln. Burial will be held at a later date in Yankee Hill Cemetery, Lincoln.

Original obituary: <https://trumpmemorials.com/1514>

Please send silent key notices to log@k0kkv.org.

LOG FOLDING TO RESUME

Aaron Rogge, NØADR

Do you remember the good times we had getting together to fold the LOG each month? Well, I'm here to tell you starting with the March LOG, those times are back! So mark your calendar and come out for fellowship and some LOG folding.

Date: Feb 28

Time: 6:30 pm

Location: LARC Clubhouse, 4420 NW 41st St.

Thank you to Heather Chesnut, KDØBXA, who has faithfully ensured that the LOG was folded, stuffed, and mailed each month. Next time you see her, be sure to thank her.

LARC Facebook page
fb.me/LARCLincoln.

2022 MEMBERSHIP DUES

Aaron Rogge, NØADR

It's time to renew! Memberships are on the calendar year, January through December. Your annual membership helps fund club activities and provides for this LOG.

If you're not an LARC member, now is the perfect time to join. **Anyone, licensed or not, who has an interest in Amateur Radio, is welcome.**

There are many ways and opportunities to join or renew: at a club meeting, by mailing the form on the back of this LOG, or by submitting the form at k0kkv.org/membership.

VE REPORT

Chris Evens, KCØPJR, VE Coordinator

We had a good turnout this month for both VEs and candidates. Thank you to Dianna May, WDØFGV, for her assistance in making reminder calls to our VEs, so we had examiners at our session. This month we had four candidates, of which three passed for either a new or upgraded license.

TECHNICIAN

- ◆ Bhavya Kushwaha, KFØHPJ, Lincoln

EXTRA

- ◆ Caelan Adams, KFØDTV, Beatrice
- ◆ Quinn Wetzel, KFØHCE, Lincoln

Congratulations to our new and upgraded licensees!

Volunteer Examiners (VEs) who participated this month are NØADR, WØBCL, KCØDHM, WØJRN, KCØPJR, and AEØRP. Thank you for donating your time and energy to promote Amateur Radio.

Until further notice, all participants, including VEs and examinees, are required to wear a face covering throughout their time inside the VE location, College View Church.

VES NEEDED

Chris Evens, KCØPJR, VE Coordinator

Do you have a General or Extra class license? Have you considered being Volunteer Examiner (VE)? If so, learn how at: www.arrl.org/become-an-arrl-ve.

LINCOLN MARATHON UPDATE

Mike Long, KØSHC, Marathon Coordinator

Spring is just around the corner, and along with it will be our first event, the Lincoln Marathon, on Sunday, May 1!

We have created an online registration form. Signing up is quick and easy! Register today and reserve the event date: May 1. <https://forms.gle/arpmkzm2HPaGzfpf8>

2021 ARES 146.76- NET REPORT

Eric Bigham, JIA, Nets Chair

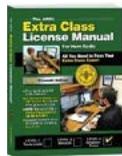

Here is the 2021 Eastern Nebraska 2-Meter ARES Net report. Thank you to everyone who led and participated in these directed nets.

- ◆ Sessions = 430
- ◆ Check-ins (QNI) = 9,332
- ◆ Traffic Messages (QTC) = 12

EDUCATION UPDATE

Aaron Rogge, NØADR

We plan to resume classes, starting with the Amateur Extra but **we are still looking for a few more students**. If you are interested in upgrading your ticket, please send an email to Bryan Leavitt, WØBCL, at w0bcl@arrl.net, and let him know what day(s) of the week and time(s) work best for you to be in this class.

Please know that this class involves a significant time commitment. In order for the class to be offered, **a minimum of 10 people**, who intend to complete the full curriculum, must be enrolled.

SKYWARN TRAINING EVENT

Ed Holloway, Lancaster County ARES EC

Calling all Lancaster County Amateur Radio SKYWARN® spotters. We're back! It's been three years since our last training session at the Severe Weather Symposium. For that reason, all spotters are required to attend a training session on Saturday, April 16, 2022, to recertify for deployment.

The new Lincoln Amateur Radio Club facility, 4420 NW 41st St., will be the location for this training session. It is in northwest Lincoln's Airpark industrial area. We hope to have the club station operational for tours, but please keep in mind this is a new installation, and we may not be fully functional by SKYWARN® training day.

We've booked an in-person presentation with Brian Smith, National Weather Service Warning Coordination Meteorologist. Training event sponsors NeARES, Lincoln Amateur Radio Club, and Lancaster County Emergency Management Agency will have team members on-site to assist.

If you've previously completed "Role of the SKYWARN Spotter" and "Spotter Convective Basics" online courses, you're not required to retake them if you've submitted your certificate to me for our official records. However, retaking it as a refresher is recommended. Go to www.neares.net and find the links to these courses on the right-hand column. Please add Ed Holloway, KØRPT, as your instructor, and upon completion of these courses,

the system will email your completion certificate to me.

It has been a long time since we've issued Lancaster County Emergency Management ID cards, and we will resume this process on training day. The procedure includes completing a form, updating your ARES information, and taking your photo. Please bring your driver's license, as we'll need it to complete your registration. Your data will be securely stored and never shared or published online in any form.

Here is the training day schedule:

- ◆ **08:00 am – 12:30 pm:** Salamander and ARES Registration
- ◆ **1:00 pm – 1:45 pm:** Brian Smith Presentation
- ◆ **1:45 pm – 2:15 pm:** Mark Hosking - Lancaster County EMA - Credentials Exam
- ◆ **2:15 pm – 3:00 pm:** Ed Holloway, KØRPT - EC Presentation

We are in the process of updating storm spotter packets. After completing the credential exam, Salamander, and ARES registration, we'll send your 2022 storm spotter packet in an email. A limited number of print copies will be available on training day.

We will follow Lancaster County DHMs. If the mask mandate is in effect, please have yours available and wear it properly. I'm excited and looking forward to seeing everyone.

MEALS ON WHEELS

Ed Holloway, KØRPT

During the winter months, Tabitha Meals on Wheels needs volunteers to ensure that hot lunches are delivered to homebound Lincoln residents. If you're interested in joining an on-call list, send an email to k0rpt@arrl.net.

2022 NE ARRL CONVENTION

Ed Holloway, KØRPT, 2022 Convention Committee Chair

Please lock this date into your calendars — Saturday, May 14, 2022 — for the next ARRL Nebraska Hamfest. Let's plan to make it another great success.

Look for new and familiar details in upcoming issues of the LOG, www.k0kkv.org, www.lincolnhemfest.org, and www.neares.net.

LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, further the experience of those already licensed, and create international goodwill.

The Lincoln LOG is mailed monthly to all paid members of LARC and Lancaster County, Nebraska, Hams.

The LOG and other LARC information are available at k0kkv.org and facebook.com/LARClincoln and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.

Lincoln Amateur Radio Club, Inc.
P.O. Box 5006
Lincoln, NE 68505

Those interested in paying their ARRL dues through LARC are encouraged to email treasurer@k0kkv.org for details.
