

## APRIL MEETING

7:30 PM, WEDNESDAY, APRIL 13  
LARC CLUBHOUSE & ZOOM

### SOLDERING REVISITED

Bryan Leavitt, WØBCL

**In-person:** LARC Clubhouse (**NEW ADDRESS:** 4420 NW 41<sup>st</sup> St., Lincoln).

**Zoom:** [bit.ly/LARCProgram](https://bit.ly/LARCProgram) (meeting: 937 5139 3405; Passcode: 554816).

We will continue learning the basics of soldering. It is common for Amateur Radio operators to work with "breadboards" and do a type of soldering called "through-hole." This is a fundamental skill that every Ham should have.

LARC will provide switches, resistors, LEDs, breadboards, battery connectors, wire, and soldering stations. You get to put it all together into a finished product that will display your new skills. Please bring a 9-volt battery or \$1.00 to purchase one from the club. This is a fun project that should not take long to complete.

## PRESIDENT'S COLUMN

Aaron Rogge, NØADR, LARC President

Ah, it is spring, even if the weather seems undecided. If you haven't done it yet, now is time to clean out your radios, make sure they are charged and working, and prep your to-go bags. We have two major events in April to get things going and more down the road.

First up is SKYWARN® training on Saturday, April 16, at the LARC Clubhouse. If you want to be involved in weather spotting in Lancaster County, be sure to attend and update your credentials. See the article on page 4 for more information.

The second major event is the spring flea market, co-hosted by LARC and NeARES on April 23 and 24. It will be held at Ed Holloway's QTH. This is a ham radio-only flea market. If you are looking for some new-to-you equipment or have some items that you'd like to pass on to someone else, now is the time. See the ad on page 10 for details.

Thank you to everyone who helped with the March LOG folding. This was our first LOG folding session in two years. If you haven't made it out to our new clubhouse yet, it is a great time to visit with some of your fellow Hams and share the load of preparing the LOG for mailing.

Please also remember to sign up to help with the Lincoln Marathon. May 1 is almost here! Signing up is easy using the online form at [forms.gle/arpmkzm2HPaGzfpf8](https://forms.gle/arpmkzm2HPaGzfpf8). Note, the form will be taken offline on Sunday, April 24. So don't delay and sign up today.

This year's club meeting programs are themed around practical Amateur Radio skills. Bryan Leavitt, WØBCL, is scheduling this year's presentations. If you have something you think would be a good topic to cover in a meeting, drop Bryan an email at [w0bcl@arrl.net](mailto:w0bcl@arrl.net). Bryan is deeply interested in improving our club members' skills.

The Amateur Extra class is proceeding on schedule. There has been an excellent turnout, and in May, we will have several more Hams with an Extra Class ticket.

The new club station is coming along nicely. Greg Brown, KTØK, has worked hard to put it together. The rumor is that Greg might have an antenna up and ready to show off the station at the April club meeting. Be sure to check it out!

Thank you to everyone who is helping to make LARC a great club! I truly appreciate your time and efforts.

## VE REPORT

Chris Evens, KCØPJR, VE Coordinator

Our March session got us back to normal. We had a 100% pass rate for exams given last month, but this time, we had a 100% pass rate for those taking exams — but not for exams given. We had four candidates who passed at least one exam for new or upgraded licenses.

### TECHNICIAN

- ◆ Aaron Brodersen, KØABW, Lincoln
- ◆ Levi Kicken, KFØIDZ, Gering

### GENERAL

- ◆ Wesley Payne, KEØWHA, Lincoln
- ◆ Cory Rowan, KFØANY, Lincoln

Congratulations to our new and upgraded licensees!

Volunteer Examiners (VEs) who participated this month are WØBCL, KDØCVF, KCØDHM, NØGUB, KCØPJR, AEØRP, and AJØS. Kudos also go to Dianna May, WDØFGV, for calling and reminding VEs to assist with upcoming sessions. I'm grateful to each of you for giving your time to those who want to begin or advance in Amateur Radio.

## BECOME A VE

Chris Evens, KCØPJR, VE Coordinator

Do you have a General or Extra class license? Have you considered being a Volunteer Examiner (VE)? If so, learn how at: [www.arrl.org/become-an-arrl-ve](http://www.arrl.org/become-an-arrl-ve).

## SKYWARN TRAINING

Ed Holloway, Lancaster County ARES EC

SKYWARN® spotter training is scheduled for Saturday, April 16, at the LARC Clubhouse. Salamander (the official ID system used by Lancaster County) and ARES registrations begin at 8:00 am and ends at 12:30 pm. Brian Smith from the National Weather Service will give his annual presentation at 1:00 pm, and the quiz will be administered shortly afterward.

Once we've completed the quiz, I will present this year's changes and procedures. Certified spotter ID badges have not been available for many years, and we're excited to bring this back. You will need to be present and complete the training to qualify to go out on "the hill." Please make every attempt to attend this training as we've not yet verified when a makeup session will be scheduled.

Thank you for participating in SKYWARN and ARES. I look forward to seeing you all.

## LINCOLN MARATHON

Mike Long, KØSHC, Marathon Coordinator

Spring is just around the corner, and along with it will be our first event, the Lincoln Marathon, on Sunday, May 1!

Online registration is open until April 24 at [forms.gle/arpmkzm2HPaGzfpf8](http://forms.gle/arpmkzm2HPaGzfpf8). More volunteers are still needed. So please take a moment, mark your calendars, and sign up.

## NE ARRL AWARD NOMINATIONS

Matt Anderson, KAØBOJ, ARRL NE Section Manager

We're looking for nominees for the following categories. Award winners will be announced at the Nebraska ARRL Convention on Saturday, May 14.

- ◆ NE Ham of the Year: Open to any Ham age 18 or older as of December 31, 2021.
- ◆ Nebraska YL Ham of the Year: Same qualification as above.
- ◆ Nebraska Young Ham of the Year: Any Ham who is 18 years or YOUNGER as of December 31, 2021.
- ◆ Gwen Anderson, KØGAA, Memorial Award: Given to any Ham who works behind the scenes to make things run smoothly and doesn't seek recognition.
- ◆ Skip Miller, WØKVM, Lifetime Achievement Award: The nominated Ham should be licensed for at least 20 years and demonstrate a lifetime commitment to Amateur Radio. Open to OMs and YLs.
- ◆ Special Service Award: Open to any Ham who has done something in their job or community, not specifically related to Amateur Radio, such as missionary service, assisting stranded motorists, volunteering for Meals on Wheels, etc.

All nominations must be emailed by Saturday, April 30, 2022, to [nebraskasm@hotmail.com](mailto:nebraskasm@hotmail.com).

## BEST CHOICE UPC LABELS

Save your UPC labels from Best Choice products to bring to the club meeting.

## NEBRASKA HAMFEST UPDATE

Ed Holloway, KØRPT

The ARRL Nebraska State Convention will be Saturday, May 14, at the Lancaster County Event Center. I'm looking for volunteers to assist in setting up tables and escorting table vendors to their assigned locations.

We'll be setting up the room on Friday, May 13, from noon to 5:00 pm. I'll have a sign-up sheet at the club meeting. You may also contact me at [k0rpt@arrl.net](mailto:k0rpt@arrl.net).

Check out [www.lincolnhamfest.org](http://www.lincolnhamfest.org) to stay in the know regarding Hamfest, and start inviting your friends to come to the convention with you.

Thank you for helping make our convention everything that it can be.

## LOG FOLDING

Aaron Rogge, NØADR

Thank you to everyone who helped with folding the April LOG. The folding crew consisted of Kurt Bauer, WBØAEA; Heather Chesnut, KDØBXA; Noah Chesnut; Jon Peterson; Kathleen Rogge, KRØKAT; Aaron Rogge, NØADR; Jeri Lyn Rogge, NØJLR; Ayden Rogge; Liam Rogge; Bob Sindlar, KØKPH; and Michael Terkildsen, KCØDHM.

**Join us for the next folding session!**

**Date:** Monday, May 2

**Time:** 6:30 pm

**Location:** LARC Clubhouse, 4420 NW 41<sup>st</sup> St.

## FIELD DAY NEWS

Ed Holloway, KØRPT

Field Day 2022 will be Friday, June 24, through Sunday, June 26. It'll be a little different

because we'll be setting up at the LARC Clubhouse, 4420 NW 41<sup>st</sup> St.

We'll operate 3A as we have done in the past. The GOTA station will have some new features, including Winlink. With this new setup, we are looking for volunteers to help with setup and tear down.

On Saturday evening, we'll enjoy a potluck dinner, and you're welcome to bring a dish to share. We also look forward to the president's breakfast on Sunday morning. We plan to set up tables indoors. Club station tours and many other activities are being planned.

We had a fantastic turnout last year and are looking forward to seeing everyone again this year!

If you can help, please get in touch with one of us to sign up:

- ◆ Ed Holloway, KØRPT  
[k0rpt@arrl.net](mailto:k0rpt@arrl.net)
- ◆ Shaun Munson, KØSMM  
[k0smm@arrl.net](mailto:k0smm@arrl.net)

## PLAN NOW FOR THE SUPER FAIR

Ed Holloway, KØRPT

Listen up! I'm calling all Lancaster County Super Fair golf cart drivers!

This year's fair will operate from July 28 through August 6. We had a great volunteer turnout last year and hope you will help again this year.

If you missed out on helping us last year, that's okay. We're happy to train you, and you'll have a great time, too. Don't hesitate to contact me at [k0rpt@arrl.net](mailto:k0rpt@arrl.net) to get on the list. There will also be a sign-up sheet at the club meeting.

Thanks so much for your help!

## 2022 MEMBERSHIP DUES

Aaron Rogge, NØADR

If you haven't renewed or joined yet, it isn't too late! Memberships are on the calendar year, January through December. Your annual membership helps fund club activities and provides for this LOG.

If you're not an LARC member, now is the perfect time to join. **Anyone, licensed or not, who has an interest in Amateur Radio, is welcome.**

There are many ways and opportunities to join or renew: at a club meeting, by mailing the form on the back of this LOG, or by submitting the form at [k0kkv.org/membership](http://k0kkv.org/membership).

# NEW FCC FEES GO INTO EFFECT APRIL 19

Aaron Rogge, NØADR

**FCC** On Saturday, March 19, the FCC published in the *Federal Register* that the new fee structure will go into effect starting Tuesday, April 19. The publication details the new fees, implementation rationale, FCC justification of the stated fees, and responses to many of the comments received.

Amateur Radio is included under personal licenses and has the following fee structure:

<b>Personal License Application</b>	<b>New Fee</b>
New license, modification*	\$35
Rule waiver	\$35
Renewal	\$35
Vanity call sign (Amateur Radio Service)	\$35

The new fees are to be paid to the FCC within 10 days of the license application. For more information about paying these new fees, refer to [www.fcc.gov/licensing-databases/fees/cores-payment-system](http://www.fcc.gov/licensing-databases/fees/cores-payment-system).

\*A clarification was sent out in the ARRL March 31 VE newsletter concerning license modifications. "The Federal Communications Commission (FCC) staff has clarified in response to an ARRL request that the new \$35 application fee will not apply to most license modifications, including those to upgrade a licensee's operator class and changes to club station trustees. The FCC staff explained that the new fees will apply only to applications for a new license, renewal, rule waiver, or a new vanity call sign." So, license upgrades are not impacted by the new fee. If you are interested in upgrading your license, you don't need to worry about incurring an additional cost.

For more information, please see:

# LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, further the experience of those already licensed, and create international goodwill.

The Lincoln LOG is mailed monthly to all paid members of LARC and Lancaster County, Nebraska, Hams.

The LOG and other LARC information are available at [k0kkv.org](http://k0kkv.org) and [facebook.com/LARClincoln](https://facebook.com/LARClincoln) and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.
