

LARC MEETING

7:30 PM, WEDNESDAY, NOVEMBER 9

LARC CLUBHOUSE | 4420 NW 41ST ST., LINCOLN, NE

REPEATERS, ARES, SKYWARN, NETS, AND MORE

Ed Holloway, KØRPT

In-person only: LARC Clubhouse (4420 NW 41st St., Lincoln).

Have you ever seen a repeater? You'll see one at the club meeting. Why do we have ARES nets? You'll find out why. Ever thought about why a call to another station is spoken in a certain way? Why do some folks end their contact by sending both call signs — and in a certain order? We'll cover this, too. Come and get some great information to help you while working the repeaters. Invite a ham buddy to join you at the club meeting!

PRESIDENT'S COLUMN

Aaron Rogge, NØADR, LARC President

This month has been one of change.

We were barely into October when we lost Reynolds Davis, KØGND/SK, a pillar of LARC for many years. Then we lost Kathryn Miller, NØMDU/SK. It is hard saying goodbye.

Thankfully, October wasn't all gloom. Public service wrapped up a busy year with the Good Life Halfsy. Both CW and General classes started. Seeing people improving their skills and enhancing what they can in this hobby is always exciting.

Board elections are fast approaching. Please take a moment and read through the bios on page 10. If you want to run for the Board, we will accept nominations from the floor at the November meeting, and elections will be held at the December meeting.

Please note the date for the Holiday Party, as it is a week earlier than usual. Admission to the party is free for 2022 and 2023 club members. Membership and renewals will be accepted at the door. This is always a fun event and a great time to sit down with your fellow hams to visit and share a great meal. Thank you to the Elks for once again letting us use their facility.

This is the last edition of which my wife Jeri Lyn, NØJLR, and I will be editors. Jean Leavitt, KØJSL, is taking the reigns. In 2015, when we stepped up and took on the editor position, we never guessed how many people we would touch or the impact this role would have on us. But it is time to let someone else guide this monthly newsletter. I ask that you support Jean as you have us over the years.

Thank you for being a part of the Lincoln Amateur Radio Club, and I'll see you at the next club meeting!

HOLIDAY PARTY: DECEMBER 3

LARC Holiday Party Committee

The annual holiday party is scheduled for Saturday, December 3. Check out the article on page 4 for full details.

Do you have news to share? Send it to log@k0kkv.org.

BEST CHOICE UPC LABELS

Save your UPC labels from Best Choice products to bring to the club meeting.

LARC HOLIDAY PARTY: SATURDAY, DECEMBER 3

Maureen Sadler, KDØONM

LARC has again been provided access to The Elks Lodge #80 for our venue. It is a very nice facility with all the amenities, including a lounge attached to the dining area.

Here are the particulars you will want to know. The date is Saturday, December 3, 2022. Doors open at 6:00 pm, and the dinner will begin at 6:30 pm. The annual awards will be given after the dinner is served. There will be a cash bar available for

those who would like to enjoy an adult beverage with their meal.

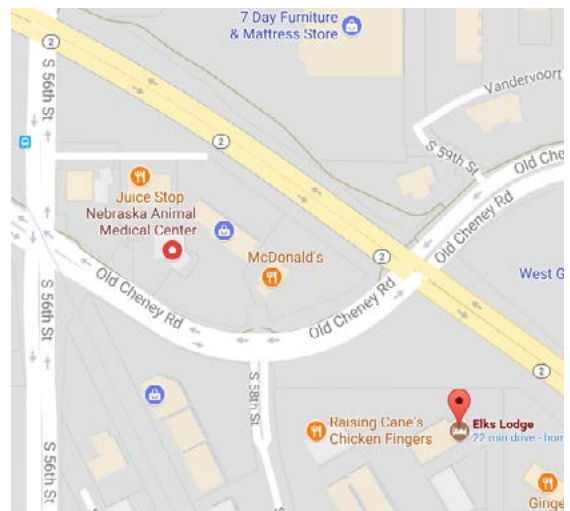

LARC will supply turkey, ham, stuffing, corn, gravy, rolls, and a dessert.

The holiday party is a benefit for 2022 club members and those who have paid their 2023 dues. So, if you are paid up, plate up!

If you are not a member for 2022 and haven't paid your dues for 2023 — but would still like to join in the fun — you may pay your 2023 dues at the door.

Entertainment for the evening will be the company of fellow Hams and their families under soft holiday music.

There is no need to RSVP. There will be plenty of food for everyone! We look forward to seeing you there.

Elks Lodge #80, 5910 S 58th St, Lincoln

MARKET TO MARKET

Aaron Rogge, NØADR

Thank you to everyone who helped with Market to Market this year: NØADR, NØBLC, KØNC, KFØCXO, KØJIA, KRØKAT, WXØL, KCØML, KDØONM, KDØONQ, WØRJN, KØRZP, KØSHC, and WØWKP. Together, we logged 686.7 miles and 116.6 hours.

BOARD MEETINGS

Aaron Rogge, NØADR

LARC members are invited to attend all Board meetings at the LARC Clubhouse, 4420 NW 41st St. The next Board meeting is Sunday, November 13, at 5 pm.

NEW LOG EDITOR

Aaron & Jeri Lyn Rogge, NØADR & NØJLR

When we each earned our licenses in 2013, it never entered our minds that we could, just two years later, be the co-editors of the LOG, nor did we think we'd be in this role for seven years.

During our tenure, we've transformed this monthly publication into something we hope the club has been excited to receive and delighted to share with prospective members. We're proud of the work we've done. We've experienced format changes, postage rate hikes, numerous folding locations, late-night-after-the-paying-job editing sessions (such as with this edition), and discovered the occasional post-publication typo or grammatical error.

Even so, we've enjoyed bringing LARC news and information to members and hams in Lancaster County. The LOG is distributed to ARRL headquarters, several Amateur Radio clubs, and hundreds of members near and far in print and digital formats. Some months, the content flowed easily. Others, like this one, contain tough news of several significant silent keys mingled with the excitement of a soon-to-come Board election.

This is our farewell edition. We're passing our editorial pen and style guide to Jean Leavitt, KØJSL, who will assume the editorship of the LOG with the December 2022 edition. We're confident Jean will bring a fresh perspective to this newsletter. We ask that you welcome her in this new role and do your part to ensure she has access to news she can use in future editions.

Serving as LOG editors for these last seven years has been an honor. Thank you for entrusting us to communicate LARC news and information faithfully.

LOG FOLDING

Aaron Rogge, NØADR

Thank you to the October LOG folding crew: NØADR, KDØBXA, WDØEZI, KFØJDP, KRØKAT, KØKPH, Noah Chesnut, Jon Peterson, and Ayden Rogge.

Join us for the next folding session!

Date: Monday, December 5

Time: 6:30 pm

Location: LARC Clubhouse, 4420 NW 41st St.

SILENT KEYS

BARBARA WOERNER, KAØGON/SK

October 14, 1952–August 3, 2022

Barbara Vivian Woerner, KAØGON/SK, age 69, of Lincoln, passed away on August 3, 2022. She was born October 14, 1952, in Lincoln, Nebraska, to Edwin and Vivian (Kramer) Woerner.

Barbara was blessed to be a daughter, sister, niece, aunt, and friend to wonderful people. The joys of her life were writing, listening to music, Amateur Radio, and caregiving for people and animals. Many peaceful hours were spent working in the yard, taking photographs of clouds and vapor trails.

Barbara was a member of St. Mark's Episcopal Church, Lincoln Amateur Radio Club, and the Society of Broadcast Engineers.

Family members include her brothers Edwin (Helen) Woerner, Topeka, Kansas; and Conrad (Carol) Woerner, Lincoln; nephews and a niece. She was preceded in death by her parents and grandparents.

Memorials may be designated in Barbara's honor to the Capital Humane Society.

REYNOLDS DAVIS, KØGND/SK

October 5, 1942–October 3, 2022

Reynolds Blaine Davis, KØGND/SK, age 79, passed away on October 3, 2022, at Tabitha Martha House in Lincoln, Nebraska. Reynolds was born to Blaine and Marie Davis in Hartford, Connecticut, on October 5, 1942. He and his family moved to Des Moines, Iowa, where he grew up. Reynolds attended Beloit College, Beloit, Wisconsin, and graduated from Iowa State University, Ames, Iowa, majoring in English and Speech. While at Iowa State, he worked as an announcer for radio stations WOI and KASI. After graduation, he was named News Director at KFGO radio in Fargo, North Dakota.

In 1968, Reynolds moved to Lincoln, where he wrote and produced radio and television commercials for Swanson, Sinkey, and Ellis Advertising (now Swanson Russell). He also worked part-time for KWHG-FM radio.

Norden Laboratories hired Reynolds as the company's audio-visual director in 1970. At Norden, and later within the Smith-Kline organization that purchased Norden, Reynolds held several positions, including product manager for small animal pharmaceuticals.

Between 1984 and 1988, Reynolds worked in Brussels, Belgium, as the marketing director for Norden in northern Europe. Reynolds retired from SmithKline (now

SILENT KEYS — CONTINUED

GlaxoSmithKline) in 1990. From 1990 until 2010, Reynolds worked as a marketing and management consultant for small businesses and corporations, including Merck and Rhone Merieux.

Dedicated to community service, Reynolds was a long-term volunteer for the American Red Cross and also volunteered for other community organizations, including Junior Achievement, March of Dimes, and WasteCap Resource Solutions, Inc. He also served as the announcer for the Lincoln Marathon for 39 years, from 1978 to 2016.

He was the first chairman of the Red Cross Disaster Action Team. From 1972 to 2016, he was a member of the local Red Cross first aid team that provided emergency services at Husker football games, performances at Pershing Auditorium, and other events in Lincoln. Reynolds was a member of the board of directors of the Lancaster County Chapter of the American Red Cross (1982-1984, 1993-1999, and 2004-2010); chair of the Red Cross Cornhusker Regional Council, covering 30 Nebraska counties (2008-2010); chair of the Nakota Service Council, serving Nebraska and South Dakota (2001-2003); a member of the nine-state Red Cross Midwest Service (2004-2008); and a member of the Red Cross national committee on nominations (2004 and 2005).

In recognition of his volunteerism, Reynolds received the Nebraska Governor's Award for public service in 1994 and the Lincoln Mayor's Award for outstanding community volunteer service in 1994. Reynolds received the Harold Hill Humanitarian Award from the Lancaster County Chapter of the American Red Cross in 2000 and 2017. In 1983 and 2017, Reynolds received a Nebraska Gubernatorial Admiralship for lifelong dedication to public service and volunteerism.

Reynolds was an avid Amateur Radio operator. His license was issued on June 11, 1956, when he was 13. At the time, he was the youngest person in the United States to have an Amateur Radio license. Twenty-five years later, he was the youngest member of the Quarter Century Wireless Association (QCWA).

Reynolds served 10 terms as president of the 300-member Lincoln Amateur Radio Club (LARC) and was on the LARC Board for 33 years. He served as president of Nebraska QCWA Chapter 25 and Nebraska director for the United States Air Force MARS (Military Affiliate Radio Systems).

In 1973, Reynolds started the storm spotter network for Lancaster County. As Amateur Radio Emergency Service (ARES) Emergency Coordinator for Lancaster County, he served as the primary net control operator for up to 150 credentialed storm spotters, who manned 55 spotter locations in Lancaster County. He also took an active role in training storm spotters and served as a role model and mentor for coordinators in other counties and states.

SILENT KEYS — CONTINUED

Among his many awards, Reynolds was most honored to receive the Jerry Cox Memorial Award, the Jerry Kohn Public Service Award, and the LARC Lifetime Achievement Award from the Lincoln Amateur Radio Club. He also was awarded the Midwest ARRL Division "Amateur Radio Operator of the Year" by the American Radio Relay League (ARRL) in 1980 and the Nebraska "Amateur Radio Operator of the Year" in 2002.

Throughout his life, Reynolds was active in Amateur Radio contesting and received numerous operating awards. Among his accomplishments was contacting radio operators in every country in the world and receiving the WAC and DXCC awards.

Late in his career, Reynolds managed and conducted specialized hospital training programs for the Center for Preparedness Education, a joint program between Creighton University and the University of Nebraska Medical Centers. In 2010, he was selected to be the coordinator of the Southeast Nebraska Medical Reserve Corps by the Lincoln-Lancaster County Health Department.

Reynolds loved his family, travel, and photography. He was proud of his children's accomplishments and always enjoyed their company. He appreciated the opportunity to explore northern Europe and Egypt while working in Brussels. Later in life, he was thrilled to see the Suez Canal while on a cruise, and he enjoyed traveling within the United States to visit his children and celebrate their achievements.

Reynolds is survived by his four children, their spouses, and seven grandchildren: Scot Davis, his partner Vernadette Norman and Scot's children Sage and Leith; Charles Davis, Kristina Davis, and their children Maddison and Darr; April Davis Campbell, Robert Campbell and their sons Emmett and Solomon; and Rebecca Carol McCuen Krug, Logan Krug and their daughter Rhyan. He also is survived by his brother Gardiner Davis, his sister-in-law Laura Zeigler Davis, and their children Julia, Ellie, and Ben; his niece Susan Rentko; his nephew Stephen Buck and their children; and Rebecca's mother, Barbara McCuen. Reynolds was preceded in death by his parents; his sister, Anne Buck; Scot, Charles, and April's mother, Carolyn Davis; and his best friend Bear.

There will be no funeral, but a celebration of Reynolds' life will be held during Memorial Day weekend on Saturday, May 27, 2023, at Wilderness Ridge Country Club in Lincoln.

In lieu of flowers, a memorial park bench will be purchased through Lincoln Parks and Recreation. Please send your memorial contribution to April Davis Campbell, 1150 Walnut Creek Drive, Stillwater, Minnesota, 55082. Condolences may be left online at Roperandsons.com.

If you know of a silent key, please email log@k0kkv.org with details and a short obituary to share with your fellow Hams.

SILENT KEYS — CONTINUED

KATHRYN L. MILLER, NØMDU/SK

October 18, 1927–September 29, 2022

Kathryn L. Miller, NØMDU/SK, age 94, of Wahoo, died September 29, 2022, in Wahoo. She was born October 18, 1927, in Wichita, Kansas, to Leon and AnnaBelle (Lindly) Peters.

Survived by children James (Mary) Miller, Bellevue; Sue (Keith) Stewart, Lincoln; Gary (Pam) Miller, Wahoo; brother-in-law Gerald Spahn; sister-in-law Fay Peters; six grandchildren; 17 great-grandchildren; and four great-great-grandchildren. Preceded in death by husband Elden "Skip" Miller, WØKVM/SK; parents; sisters Patricia Jordan, Marcia Gunn, and Nancy Spahn; brother Larry Peters.

Kathryn's funeral was Tuesday, October 4, at Our Redeemer Lutheran Church in Wahoo, and she was interred at Lincoln Memorial Park Cemetery.

Memorials in honor of Kathryn may be given to Our Redeemer Lutheran Church Building Fund.

DIGITAL LOG?

Jeri Lyn Rogge, NØJLR

Did you know that you could receive the LOG in digital form via email? When you switch from print to digital, you get the first look at news and updates when your digital LOG arrives **several days** before the print edition! Sign up to make the switch at k0kkv.org/lincoln-log.

VE REPORT

Chris Evens, KCØPJR, VE Coordinator

**ARRL
VEC**

We returned to normal in October, with one session hosted at the College View Church. It was a bit unusual, though, as we had to relocate within the church due to an event by Union College. We were by the lower stairwell by the back doors. It was a little tight, but it worked out. We had four candidates who passed for either new or upgraded licenses.

TECHNICIAN

- ◆ Chris Mulligan, KC1RXN, Raymond, Maine
- ◆ Andrew Ruder, KFØKNI, Lincoln

GENERAL

- ◆ David Hamilton, KØDWH, Lincoln

EXTRA

- ◆ Jesse Kraft, NØJDK, Lincoln

Congratulations to our new licensees! Volunteer Examiners (VEs) who participated this month are WØBCL, KØFWJ, NØGUB, KCØHN, KCØPJR, AJØS, N8VRX, and K3WY.

Thank you for giving your time to those wanting to enter Amateur Radio.

CORRECTION

The September LOG incorrectly listed Tomas Meyer, KFØJDP, as having received his General license when he actually received his Amateur Extra Class license.

2023 BOARD NOMINEES — BIOGRAPHIES

AARON ROGGE, NØADR

The Lincoln Amateur Radio Club has dramatically impacted my life, opening opportunities for me to support my community and help others discover and enjoy Amateur Radio.

Since earning my license in 2013, I have been active in LARC and ham radio as a weather spotter; volunteer for many public events; coordinator for radio communications and lunch deliveries for the Cornhusker State Games for the last eight years; LARC Board secretary for two years and president for one year; LOG co-editor for seven years; instructor and/or co-instructor with Bryan Leavitt, WØBCL, for the Technician, General, and Amateur Extra classes over the past five years; and served as a Volunteer Examiner (VE) and Lancaster County Assistant Emergency Coordinator (AEC).

I believe LARC is essential to the health and growth of Amateur Radio in Lancaster County and the surrounding areas. If re-elected to the Board, my focus will continue to strengthen LARC and show that Amateur Radio is still relevant — even in the age of the internet and cell phones.

DEVIN BLANKENBAKER, KFØAWO

I received my Technician license in July 2020 and upgraded that December to General, following my interest in HF propagation that initially got me into the hobby. As I waded into this new world, I found everyone from vastly different backgrounds, all sharing an interest in radio and contributing their unique skills for the betterment of the group. Over the past year, we've seen a

significant improvement with the addition of the new clubhouse and station. I want to contribute knowledge from my professional experience with tax-exempt organizations to help the club grow and avoid potential regulatory issues. I feel this is one of the best ways I can give back to the club and a great way to get to know everyone better.

BRYAN LEAVITT, WØBCL

I hope you will support my election to the LARC Board. I am a VE with an Extra class license and have attended most club-sponsored events this year. I have been very active in the club, including the following:

- ◆ Served the club as vice-president
- ◆ Helped teach the Technician, General, and Extra classes this year
- ◆ Planned and supported the Nebraska ARRL convention
- ◆ Planned and supported Field Day
- ◆ Operated ARES Sunday evening nets.

My goal this year has been to help club members improve their technical skills and, if possible, advance their license classes. I plan to continue with this objective if elected to the Board.

ROARK PYLE, WØLNE

I was licensed as KCØFDM in March 1999 and joined the Lincoln Amateur Radio Club the same year. I am CERT trained and currently serve as an AEC for ARES and am a certified storm spotter.

Many of us remember the October snowstorm in Lincoln in October 1997. My interest in Amateur Radio resulted from

2023 BOARD NOMINEES — BIOGRAPHIES

an encounter with a ham radio operator at the Nebraska Wesleyan Field House shelter, reserved for those left without power after the storm. I was also a volunteer, and a good friend already involved in Amateur Radio invited me to look into the hobby. I began attending LARC meetings in 1998.

After getting my technician license through a class offered by LARC in 1999, I enjoyed working many public service events alongside Dr. Jerry Kohn, WDØEGK/SK, Steve May, WAØASM/SK, and Reynolds Davis, KØGND/SK, then leaders and members of the LARC Board as well as many others. I served as the public service committee chair for a few years in the early 2000s. I also served as an NCS for some of the nightly ARES nets on 146.760- for a few years.

I remember May 22, 2004. We worked a public service event that morning, and conditions were right for storms later in the day. I served at a support point in one of the hospitals the night an F4 went through Lancaster County and heavily impacted Hallam. I worked alongside many volunteers in the following weeks, provided communications to those in need, and operated nets for the vanloads of volunteers who assisted Hallam residents in the weeks after the disaster. I took my CERT training at Norris High School just days before the Hallam Tornado damaged part of the school.

Changes in my life and work schedule meant that I had not been very active over the last few years. However, I continued to be a

member and followed the club's activities. I like the direction the club is headed and believe now is the time to run for the Board and take a more active role.

I am married to my wife of over seven years, Erin, and we have family in Lincoln and Illinois. We enjoy spending time with them, especially our 8-month-old granddaughter. I work for Lincoln Public Schools as a custodial supervisor and have worked for LPS since 1996.

I would be grateful for the opportunity to serve, help, and lead as a member of the LARC Board and would appreciate your vote.

KIM CARTWRIGHT, KEØTNR

I became a LARC member in 2018 and have been on the LARC Board as secretary for the last two years. I currently hold a General license and enjoy volunteering with events as a member of LARC. Along with being Board secretary, I am the facilitator of the Community College Service Organization, which volunteers in the community and raises funds to provide scholarships to Southeast Community College students. I serve as the president of the Information Technology Professional Organization (ITPO), which organizes and hosts presentations on various topics related to Information Technology. I am an Information Systems Technician at Southeast Community College and The Career Academy. I love spending time with my son, grandson, daughter-in-law, and "furkids": a great Pyrenees, Stormy, and two cats, Stinky and Oscar.

LINCOLN AMATEUR RADIO CLUB

The Lincoln Amateur Radio Club, Inc. (LARC), is a nonprofit organization devoted to the promotion of Amateur Radio. The club sponsors activities and programs to promote growth in Amateur Radio, further the experience of those already licensed, and create international goodwill.

The Lincoln LOG is mailed monthly to all paid members of LARC and Lancaster County, Nebraska, Hams.

The LOG and other LARC information are available at k0kkv.org and facebook.com/LARClincoln and may be used freely. Permission is granted to other publications to reprint articles, provided that source credit, author, and previous print source appear in the reprint.

Lincoln Amateur Radio Club, Inc.
P.O. Box 5006
Lincoln, NE 68505

Those interested in paying their ARRL dues through LARC are encouraged to email treasurer@k0kkv.org for details.
