President's Message

Aaron Rogge, NØADR, LARC President

It hardly seems possible, but September is here, which means summer is almost over. Fall may be around the corner, but LARC isn't slowing down.

We have several more public service events through the end of October.

Be sure to check out the event calendar later in this LOG (on page 4). We'd love to have you join us, and don't let a lack of radio equipment hold you back. I maintain a small collection of radios that I can loan out. Just ask.

If you are looking for good deals on radio equipment or want to make room for new gear, check out the annual Flea Market on Saturday, September 16 (See page 7). For more information, contact Ed Holloway, KØRPT, at (402) 326-1139, or Shaun Munson, KØSMM, at (402) 853-6523.

Do you know anyone interested in getting their Amateur Radio license? Classes start Sunday, September 24, at 6:30 pm at the LARC Clubhouse. Contact Bryan Leavitt, WØBCL, at w0bcl@arrl.net for details, also see page 5.

If you want to try your hand at HF, the LARC club station is up and running. Contact Greg Brown, KTØK, at kt0k@arrl.net, if you wish to operate the station. Also, check out the hands-

on HF training sessions article later in this LOG (on page 6). These sessions are a great opportunity to work with an experienced operator.

Nominations will soon be due for the annual awards. Check out the list of awards in this edition and submit your nominations. Awards are given out at the annual Holiday Party. Make sure that your fellow hams are recognized.

The annual Holiday Party is scheduled for Saturday, December 16. Mark your calendars. The party is free for all club members. Watch for more details in upcoming issues of the LOG.

December is also when we hold the annual Board elections. Each year, four of the eight positions are up for election. Do you want to take an active role in the direction of LARC? Run for a position. The nominating committee will be lining up candidates, and nominations will also be open at the November meeting. I invite you to take an active hand in directing your club.

Enjoy the remaining days of summer! I hope to see you at the next club meeting.

Annual LARC Awards

Kim Cartwright, KEØTNR

The award season is upon us! Submit requests and nominations to Kim Cartwright, KEØTNR, kcdragon3@gmail.com, by Monday, October 31. Award winners will be announced at the December holiday party.

Jerry Cox Award

In the early 1950s, Jerry Cox, WØMAO, was undoubtedly the most active Ham in the Lincoln area. Though disabled and in a wheelchair, he was on the air constantly, monitoring several frequencies and providing assistance where needed. Jerry became a silent key about 1960, and his mother thought it fitting to recognize Amateur Radio operators who carried on his dedicated interest in ham radio. At the time the Jerry Cox Award came into being, it was sponsored by the Lincoln MARS Club.

The award is presented annually to a Ham whose interests closely follow Jerry's: excellent operating techniques, active in public service, and an interest in experimenting and exploring things of a technical nature. In addition, the Ham should be friendly to all and eager to help

those new to the hobby. It is not designed to be a popularity contest. Nominees are to be made by fellow Hams and the recipient is selected from those nominated. The recipient will have his or her name and call sign affixed to the award plaque, recognizing excellence in the Amateur Radio community. Please submit nominations to Ed, KØRPT ed.kØrpt@gmail.com.

Jerry Kohn Public Service Award

Jerry Kohn, WDØEGK, died of a stroke on November 2, 2008. Dr. Kohn was a family dentist to some club members, but to many more of us, he was the spark plug for numerous public service events. He was one of a handful of Hams who worked with the Cornhusker State Games every year since its inception in 1984.

There was seldom a public service event that Jerry missed. His volunteer hours total was either at the top or near the top of the list year after year. Jerry served on the LARC Board a total of 14 years, beginning in 1980. The Jerry Kohn Award was created in 2008 to recognize outstanding public service by a club member based on statistics showing total participation and factors such as total hours or bike miles.

Steve May Award

Steve May, WAØASM, loved a challenge and always worked to fix his own radios as well as those of others. He was a man who never needed recognition but was always there to help. This award recognizes a club member who sees a need and steps forward to take it on without expecting recognition and always with a smile.

Additionally, we assisted with five calls of service from the multipurpose arena to the Astro (medical) building, five calls from the Astro building to the parking lots, 17 wheelchair assists, and 38 limited mobility assists throughout the fair.

Again, thank everyone who answered the call to help this year. We look forward to seeing you all again next year. A special shout out to The Lincoln Repeater Club for allowing us to use their 145.190-KØLNE repeater. The repeater performed precisely as designed: support ham radio efforts, covering the Lancaster Event Center. The repeater performed flawlessly. Thank you!

Hands-On HF Training Session!

Greg Brown, KTØK

Mentoring ("Elmering" in ham radio speak) is a long tradition in Amateur Radio. We are planning several small-group sessions at the LARC Club Station to provide new hams, and those not-so-new hams who are new to operating the HF bands, to a casual introduction to HF!

The first session will be Sunday, September 17, 2023. Experienced HF operators will be present from 1:00 pm - 5:00 pm to show you the ins and outs of HF, from equipment operation to propagation to on-the-air "best operator practices". We would like to keep these groups fairly small (five to ten people), so we would appreciate you letting us know if you plan to attend.

Contact Greg KTØK at kt0k@windstream.net or kt0k@arrl.net to sign up!

Volunteers Needed!

Michael Long, KØSHC

Greetings, LARC Members! I have two upcoming events and need some help with them first; Sunday, September 10, is the YMCA Y-TRI located at Branched Oak Lake. If you are available, please contact me at (k0shc13@yahoo.com) and I will get you on the list! This is a cool triathlon to be a part of so please consider helping out. The event begins approximately at 7:00 am and is usually over by 12:30 - 1:00 pm. Looking forward to your help!

The annual Market to Market Relay Race is coming up fast on October 7! We have been a part of this event since 2009 so let's keep up our commitment. If you are available to help, contact me at (k0shc13@yahoo.com), and I will try and get you on the list. If you have helped in the past and can remember where you were stationed, let me know and I will try and get you there again. Also, on November 5 is the annual HALFSEY RACE here in Lincoln. If you are interested in this event, let me know and I will have information for you soon.

Looking forward to your help!
