President's Message

Aaron Rogge, NØADR, LARC President

Welcome to July. We are over halfway through 2024. I was working away the other day when I realized that June was almost over. Where did the month go?

Thank you to the SKYWARN® storm spotters who've answered the call to help this year. It has been an active year, and your efforts are greatly appreciated. I was perusing the LOG archive and discovered this year is the 10th anniversary of the Beaver Crossing tornado (5/11/2014) and the 20th anniversary of the Hallam tornado (5/11/2004).

As I write this, it is Field Day weekend. Thank you to all the volunteers who help each year. Field Day is always a lot of fun, and it takes a lot of work to pull it together.

The Cornhusker State Games are just around the corner. They are a little earlier in the month, with the first weekend being July 13/14. There are still opportunities to help. Check out the article later in the LOG for details.

Right on the heels of the Cornhusker State Games is the Lancaster Super Fair. Ed Holloway, KØRPT, is looking for golf cart drivers. This year he is making a special effort to have people work a single daily shift.. If you have time, please reach out to Ed and take a shift. It is a LOT of fun, and the club gets a special benefit - credit. This credit pays for the facilities for Hamfest, and this year, it will pay for the Holiday party.

Be sure to mark your calendars for this year's

Holiday party. It will be held on Saturday, December 28, at the Sandhills Global Event Center (formerly known as the Lancaster Event Center). This annual event is free for all current club members.

Thanks to each of you for your invaluable contributions that have helped the Lincoln Amateur Radio Club succeed, grow, and make a significant impact in Lincoln and Lancaster County. Your efforts are what make our club truly special. Keep your radios warm, and I hope to catch you at the next club meeting or an upcoming event.

Cornhusker State Games

Aaron Rogge, NØADR

Mark your calendars! The 2024 Cornhusker State Games are coming up fast. The 40th Anniversary of the Games is scheduled for July 11-21, 2024, at more than 70 sites in Lincoln, Omaha, and surrounding communities.

Opening night, July 11, will once again be held at Pinnacle Arena, and we will not be involved. We are scheduled to help with Mountain Bike (July 13), Gravel Grinder (July 20), Road Race (July 20), and lunch deliveries (July 13-14 and July 20-21). A sign up form is available at: <https://bit.ly/LARC-CSG>.

The Cornhusker State Games is Nebraska's amateur sports festival. The sports offered provide a broad appeal to athletes of all ages and abilities, ranging from highly competitive Olympic sports to those that are more recreational and geared to participation. There's something for everyone!

The Cornhusker State Games, organized in 1985, have become a midsummer tradition, attracting thousands of Nebraskans from throughout the state to Lincoln.

The main mission of the Cornhusker State Games is to offer good, wholesome, family-oriented activities and abundant fun. Beyond that, the organization takes pride that its competition exposes a multitude of Nebraskans to the benefits of physical fitness, well-being, and good sportsmanship.
