## President's Message

Aaron Rogge, NØADR, LARC President

Greetings, fellow Hams. Welcome to fall! We aren't slowing down, as we have several service and social events to come as we finish this year. Be sure to check out the calendar and announcements in

this LOG.

October marks the end of our public service events for 2024. First is the Crop Walk on Sunday, October 13. Heather Poysa, KDØBXA, wants volunteers. If you can help, email her at [kdøbxa@gmail.com](mailto:kdøbxa@gmail.com). Our final public service event for the year is the Good Life Halfsy on Sunday, October 27. Mike Long, KDØSHC, needs a few more hams. To sign up, email Mike at [køshc13@yahoo.com](mailto:køshc13@yahoo.com).

If you are looking for deals, check out the fall flea market on Saturday, October 5, hosted by Ed Holloway, KØRPT. He has open table space if you want to re-home some radio gear. This will also be a good opportunity to come out and visit while filling out your radio collections. Check out the ad with more details later in this LOG.

Have you noted fellow hams who have gone the extra mile this year? If so, please submit your nominations to this year's awards chair, Ed Holloway, KØRPT, at [ed.kørpt@gmail.com](mailto:ed.kørpt@gmail.com). All award winners will be announced at the Holiday Party on Saturday, December 28. Please mark your calendars, plan to attend the Holiday Party,

and join me for an evening of fun and recognition of our award winners.

We are about two-and-a-half months away from board elections. Have you considered running for the LARC board and helping shape the club's activities and direction? If so, contact a board member and tell them you are interested in running. There will also be an opportunity for nominations at the November meeting. As a reminder, all board nominees must be licensed hams, club members for at least six months at the time of nomination, have a vital interest in the club and Amateur Radio, and be willing to serve on one or more committees.

On a different note, what is something fun you have done with your radio(s) recently? It doesn't have to be anything significant. For me, it was getting back on digital. I haven't been able to work any digital modes for several months. Last night, I sat down, put all the pieces together, fired up FT8, and, within minutes, talked to folks from Cuba and France. It was exciting to be up and running again!

Thank you for being a part of this hobby.  
73, NØADR

## VE Report

Chris Evens, KCØPJR, VE Coordinator

### September VE Session

September was a slow month at our one and only exam session hosted again at the College View Church. Only one person showed up to take an exam. Good thing for him, he passed that one exam. He elected not to continue on to the next level.

### TECHNICIAN

- Daniel Selzle, KFØRPR, Auburn

Congratulations to our new licensee!

Volunteer Examiners (VE's) who participated this month are KCØDHM, KCØHN, KCØPJR, KCØRIY, KJØHN, NEØTM, and WØBCL.

Thank you to all for giving your time to promote and advance the great hobby of Amateur Radio.

Chris Evens, KCØPJR

# 2024 Annual Awards

Aaron Rogge, NØADR

The award season is upon us. Submit requests and nominations to Ed Holloway, KØRPT, [ed.k0rpt@gmail.com](mailto:ed.k0rpt@gmail.com), by Monday, October 28. Award winners will be announced at the December holiday party.

## **JERRY COX AWARD**

In the early 1950's, Jerry Cox, WØMAO, was undoubtedly the most active Ham in the Lincoln area. Though disabled and in a wheelchair, he was on the air constantly, monitoring several frequencies and providing assistance where needed. Jerry became a silent key about 1960, and his mother thought it seemed fitting to recognize Amateur Radio operators who carried on his dedicated interest in ham radio. At the time when the Jerry Cox Award came into being, it was sponsored by the Lincoln MARS Club.

The award is to be presented annually to a Ham whose interests closely follow Jerry's: excellent operating techniques, active in public service, with an interest in experimenting and exploring things of a technical nature. In addition, the Ham should be friendly to all and eager to help those who are new to the hobby. It is not designed to be a popularity contest. Nominees are to be made by fellow Hams and the recipient is selected from those nominated. The recipient will have his or her name and call sign affixed to the award plaque, recognizing excellence in the Amateur Radio community. Please submit nominations to Ed, KØRPT.

## **JERRY KOHN PUBLIC SERVICE AWARD**

Jerry Kohn, WDØEGK, died of a stroke on November 2, 2008. Dr Kohn was a family dentist to some club members, but to many more of us, he was the spark plug for numerous public service events. He was one of a handful of Hams who worked with the Cornhusker State Games every year since its inception in 1984.

There was seldom a public service event that Jerry missed. His volunteer hours total was either at the top or near the top of the list year after year. Jerry served on the LARC Board a total of 14 years, beginning in 1980. The Jerry Kohn Award was created in 2008 to recognize outstanding public service by a club member based on statistics showing total participation and factors such as total hours or bike miles.

## **STEVE MAY AWARD**

Steve May, WAØASM, loved a challenge and always worked to fix his own radios as well as those of others. He was a man who never needed recognition but was always there to help. This award recognizes a club member who sees a need and steps forward to take it on without expecting recognition and always with a smile.

## Public Service Events

Aaron Rogge, NØADR

On Sunday, October 13, is the CROP Walk. For those of you who have helped before, we are at a different, albeit a previous location this year: Our Savior's Lutheran Church, 1200 South 40<sup>th</sup> Street. They have three different walking routes this year, but they mostly overlap. Nonetheless, I will take as many volunteers who are willing to assist. Most assignments can be completed in your car or on a handheld. The CROP walk is a 3-mile walk sponsored by Church World Series and we have been providing communications for the event for over 15 years. The walk starts at about 1:30 pm (I request folks arrive at about 12:30) and usually ends at 3:00 pm. To sign up, contact Heather Poysa, KDØBXA, at [kdøbxa@gmail.com](mailto:kdøbxa@gmail.com).

The final event of our season is on Sunday, October 27: the Good Life Hallsy. It is a half-marathon in Lincoln with approximately 6,000 participants. The course is from Seacrest Field to the Haymarket. This one goes pretty fast, so we are not out all day, usually from morning to early afternoon. Again, our job is safety; we are stationed at water stops or aid stations along the route. We assist the Lincoln Police Department; they watch the traffic, and we watch the runners! To sign up, contact Mike Long, KØSHC at [køshc13@yahoo.com](mailto:køshc13@yahoo.com).

Thank you to everyone who has helped with an event this year. Your time and dedication are greatly appreciated.

## LARC/NeARES Flea Market in the Drive

Ed Holloway, KØRPT
