LARC Meeting

Wednesday, January 8th - 19:30

LARC Clubhouse | 4420 NW 41st St, Lincoln, NE

Introduction to Slow Scan Television (SSTV)

Shaun Munson, KØSMM

Join us in January for a brief introduction to SSTV. We'll be taking a dive into SSTV to see what it is, how it came to be, and what you can do with it. I hope to help answer some questions on what, where, and when. SSTV can be a fun way to send your favorite picture to your ham radio buddy, and make a few QSO's at the same time.

President's Message

Ed Holloway, KØRPT, LARC President

Welcome to 2025! LARC has seen significant, positive, and forward movement over the previous four years. The last three of those years were under the guidance and leadership of Aaron Rogge, NØADR.

Only a few have served three consecutive terms as club president. Aaron's leadership qualities far exceeded those needed to run a nonprofit organization. Aaron did a fine job, and I am grateful that he was willing to take on the task. Thank you, Aaron!

Aaron's ability to succeed as president is evidenced by the support of the remaining leadership team and club members. Many thanks to the team of Officers and Directors: Bryan Leavitt, WØBCL; Ken Kohn, KCØHN; Shaun Munson, KØSMM; Alex Lewis, W3ALX; Roark Pyle, WØLNE; Kim Cartwright, KEØTNR; and me, KØRPT.

Thank you to Kim for serving as secretary for four years and doing an excellent job despite health challenges. Kim retired from serving on the Board at the end of this year. If you see Kim, please thank her for her service. Let's welcome Fred Wiebelhaus, KØFJW, to the Board. Fred has committed to serving for the next two years and is eager to help continue our positive movement. I look forward to working with you, Fred. Thank you!

I'm excited about another fantastic year. Mark your calendars for SKYWARN® training on Saturday, April 5, the ARRL State Convention on

Saturday, May 10, ARRL Field Day, flea markets, Cornhusker State Games, and many other fun events. Please sign up for and participate in public service events. These service and radio operations opportunities elevate LARC in the community.

Come to a club meeting and meet your fellow Hams, new and older. Check out the club station and activate it. We have a great facility – let's put it to use!

Thanks for your continued support of LARC. We couldn't be who we are without you, our loyal members!

NETS

Paul Mundt, KF9TV

The Lincoln Amateur Radio Club offers daily nets that welcome hams. The nightly ARES Net is daily at 21:00 local time.

There is also a Lunch Brunch Net on Monday, Wednesday, and Friday at 12:00. This is an informative and fun net, once again open to all. These nets are on 146.76 and 442.7 MHz.

Join us if you can!

2024 Public Service

Aaron Rogge, NØADR

Thank you to everyone who volunteered this year with Public Service and SKYWARN®. 109 volunteers logged 2,017.81 hours, 6,039.9 auto miles, and three bike miles. This includes SKYWARN, with 61 volunteers, 412.63 hours, and 2,240.8 miles. Thank you!

December 28, 2024 Christmas Party (The evening was a success)

VE Exam Session

Chris Evens, KCØPJR

December VE Sessions:

December became a very busy month with 3 sessions. The first one was our normal session hosted at the College View church where 3 candidates showed up to test. The second session is where it got crazy where we were originally expecting about 35+ people testing but ended up with only 15. This session was hosted at the Latter Day Saints Church in Beatrice on Saturday evening the 14th. Then the last session just a day later in Nebraska City at their City Hall had another 10 people testing. This gives us a total unique candidates between the three sessions of 27 people. Just for those math wizards, one of those candidates was at multiple sessions. Of those 27 candidates, we had the following results:

TECHNICIAN

- Charles Chamberlin, KFØSSQ, Lincoln
- Steven L Cody, KFØSTH, Nebraska City
- Randy A Dunster, (Pending), Syracuse
- Beverly Eno, KFØSSF, Lincoln
- Shane Garner, KFØSSJ, Friend
- Clair Hoelsing, KFØSSP, Beatrice
- Janelle Horton, KFØSSN, Beatrice
- Royden Horton, KFØSSO, Beatrice
- Ryan Horton, KFØSSE, Beatrice
- Tammy Katz, KFØSRZ, Steele City
- Earl Mickley, (Pending), Lincoln
- Jacob Moody, KFØSSG, Lincoln
- Kathleen Orton, KFØSSX, Lincoln
- William Ramage Sr, KFØSRX, Nebraska City
- Rolland Sage, KFØSRO, Nebraska City
- Gary Sasse, KFØSRP, Nebraska City
- Denise Schoenrock, KFØSSB, Diller

- Mark Schoenrock, KFØSSA, Diller
- Thomas Turner, (Pending), Brock
- Jeremy Wood, KFØSSY, Tecumseh

GENERAL

- Steven Baker, WØSPB, Nebraska City
- Randy Bendorf, KFØSPQ, Papillion

EXTRA

- Clark Smith, KFØPVU, Lincoln

Congratulations to our new licensees!

Now for some final year end statistics. We had a total of 85 unique candidates this last year. Of which 75 of them passed at least one examination. We proctored 158 exams with 90 of those exams passing. This gives us a passing percentage of about 57%. With the option to take the next test without paying (and without studying) our typical goal on this is 50% so we did excellent this past year. We had a total of 19 VEs who assisted with these exams throughout the year and we are very grateful for all of their assistance. Keep up the good work and we look forward to another year of examinations ahead.

Volunteer Examiners (VE's) who participated this month are: KØNC, KCØHN, KCØPJR, KDØQGU, KDØRIY, KF5PZB, KJØHN, KWØNE, NEØTM, and WØBCL.

Thank you to all for giving your time to promote and advance the great hobby of Amateur Radio.

New Technician Class Starting in January 2025

We will be teaching a new "Tech" class starting Monday January 6, 2025 at Union College. See map for location. The class time will be 18:30 to 21:30, and will go for a least 9 weeks.

Contact Bryan Leavitt WØBCL at w0bcl1@gmail.com or Aaron Rogge NØADR at n0adr@ajrogge.com if you are interested.
